Dear Jesus, Dear Child was designed for caring adults to help children acknowledge their feelings and concerns and to answer them with love. The twenty topics in this book address some of the most common feelings and situations young children face: jealousy, fighting, love, fear, separation, and pain, as well as dealing with seasonal holidays. Each subject features a letter from a child to Jesus and a reply from Jesus to the child. A guided meditation follows which gives children the opportunity to quietly focus and find Jesus within. Finally, each topic has its own coloring page with space for children to write their own prayer to Jesus. Dear Jesus, Dear Child is suitable for use in the home, classroom, or parish. The content is geared toward children in grades pre-K through third. Congressional Record United States Congress, 1969. Elijah and Sabrina Philip Patrick, 2019-05-28. Before they became guardians, he was a troubled boy trying to search for happiness again after dealing with so much sorrow, and she was an innocent girl facing reality for the first time just when she thought life was perfect. Little did they know that their paths were about to cross and form a connection that would change their lives. Five years before Kingdom Guardians, Elijah Khoda meets Sabrina Clarin in the seventh grade. It's a point in their lives where the world that they knew as kids has grown bitter and diminishes their hopes and courage. Drama forces them to tolerate when they would rather live a normal life and have fun. With no choice but to let reality run its course, they soon meet each other and a friendship is born, one that Elijah has never experienced before, as certain feelings begin to develop. After living through rough days, he discovers there is beauty to life. It all comes in different forms, and it's all because of her. Sabrina accepts her new home in Burns Lake, but in her mind, it's a refuge after what happened, something she refuses to even talk about. Just as Elijah and Sabrina realize the difference they made in each other's lives, problems from the past still tamper with their emotions. Meeting a girl with strong affection is all new to Elijah, while Sabrina, like never before, had to face a strong entity. Can they still maintain a singular friendship while dealing with internal conflict? Elijah and Sabrina is a heartfelt drama about growing up. It's a story about discovering a new part of life just when you thought it had nothing else to offer, and it's about overcoming your fears as you accept the reality of that day and age. Before inheriting powers, they had
