Simmons,2023-03-21 Who would have thought that one of the most popular childhood toys held so many of life s answers In The Little Red Wagon prolific business leader and public servant Ron Simmons invites you to leave ordinary behind and glide into the richly meaningful life you were intended to live From his humble beginnings in the rural South to the heights of influence as an entrepreneur finance executive and three term member of the Texas House of Representatives Simmons mines the depths of his triumphs and travails to provide a wealth of applicable insights Whether you re out front holding the wagon s handle shifting the direction from inside riding along as cargo or pushing from the rear the place you occupy will set your course toward more of the same or to bold adventure Simmons has learned that it isn t a lack of talent or ability that often holds us back It s the lure of the safe comfortable path that threatens to keep us stuck in a rut of fear and negativity speeding along with no clear destination or passively catching a ride instead of taking initiative and action Filled with winsome stories and hard won lessons The Little Red Wagonwill inspire you to Escape a drifting copy and paste life and embark on real adventure Take the next uncomfortable step on your journey from settling to soaring Recognize when to pivot to positions that move your wagon forward Dream big and pursue your dreams with passion purpose and a plan The Little Red Wagon is certain to take you places that will change your outlook and your life *Munsey's Magazine* ,1927 **A Message to a Fatherless Generation** Shafeeq Ameen PhD,2020-07-08 With the devastating impact of absent fathers in the lives of their sons Shafeeq Ameen takes a compelling look at the pathology of violent young men who are disrespectful of women and authority figures and juxtapose those images with a generation of fragile individuals desperate to reconnect with a missing part of themselves After thirty years in the classroom witnessing first hand the destructive consequences of absent fathers in the lives of their sons A Message to a Fatherless Generation addresses this issues head on and gives researched based solutions along with real life scenarios to help shine a spotlight on a problem that is destroying the lives of young men who will always feel a sense of loss and insecurity without having an involved father back in their lives *Jobs Lost, Faith Found* Mary C.
