Don't Get Too Comfortable David Rakoff, 2010-06-04 The Indignities of Coach Class the Torments of Low Thread Count the Never Ending Quest for Artisanal Olive Oil and Other First World Problems David Rakoff's collection of autobiographical essays Fraud established him as one of our funniest most insightful writers In *Don't Get Too Comfortable* Rakoff journeys into the land of plenty that is contemporary North America Rarely have greed vanity selfishness and vapidty been so mercilessly and wittily portrayed Whether contrasting the elegance of one of the last flights of the supersonic Concorde with the good times and chicken wings of Hooters Air portraying the rarified universe of Paris fashion shows where an evening dress can cost as much as four years of college or traveling to a private island off the coast of Belize to watch a soft core Playboy TV shoot where he is provided with his very own personal manservant David Rakoff takes us on a bitingly funny grand tour of our culture of excess delving into the manic getting and spending that defines the North American way of life Somewhere along the line our healthy self regard has exploded into obliterating narcissism and Rakoff is there to map that frontier He sits through the grotesqueries of avant garde vaudeville in Times Square immediately following 9 11 Twenty days without food allows him to experience firsthand the wonders of detoxification and the frozen world of cryonics whose promise of eternal life is the ultimate status symbol leaves him very cold indeed much to our good fortune At once a Wildean satire of our ridiculous culture of overconsumption and a plea for a little human decency *Don't Get Too Comfortable* is a bitingly funny grand tour of our special circle of gilded age hell

*Don't Get Too Comfortable* David Rakoff, 2006-09-12 A bitingly funny grand tour of our culture of excess from an award winning humorist Whether David Rakoff is contrasting the elegance of one of the last flights of the supersonic Concorde with the good times and chicken wings populism of Hooters Air working as a cabana boy at a South Beach hotel or traveling to a private island off the coast of Belize to watch a soft core video shoot where he is provided with his very own personal manservant rarely have greed vanity selfishness and vapidty been so mercilessly skewered Somewhere along the line our healthy self regard has exploded into obliterating narcissism our manic getting and spending have now become celebrated as moral virtues Simultaneously a Wildean satire and a plea for a little human decency *Don't Get Too Comfortable* shows that far from being bobos in paradise we're in a special circle of gilded age hell
