Don't Know Much About Anything Kenneth C. Davis, 2009-10-13 In his wildly entertaining winningly irreverent New York Times bestselling Don't Know Much About series author Kenneth C Davis has amused and edified us with fascinating facts about history mythology the Bible the universe geography and the Civil War Now the sky's the limit in his latest irresistible installment a grand tour of knowledge that carries us from the Great Smoky Mountains to the Berlin Wall from the Salem Witch Trials to Watergate from Michelangelo to Houdini Brimming with busted myths gripping true stories and peculiar particulars about a plethora of people places and events this captivating compendium is guaranteed to delight information lovers everywhere as it feeds our insatiable appetite to know everything

Don't Know Much About the American Presidents Kenneth C. Davis, 2012-02-21 From a New York Times bestselling author a captivating and unique overview of the first 44 presidents of the United States from George Washington to Barack Obama Using his entertaining question and answer style to chart the history of the presidency itself as well as debunk the myths of America's Here's the young Lincoln building his mother's coffin and dragging a tragic burden through the snow to the burial Theodore Roosevelt America's youngest president shockingly pushed into the presidency with greatness thrust upon him FDR the only man elected four times concealing his crippling disability from the American public as he led the nation through depression and world war and Lyndon Johnson reelected in a landslide then crushed by the weight of the Vietnam War For history buffs and history phobes alike this book is packed with memorable facts that will change your understanding of the highest office in the land and the men who have occupied it

For They Don't Know What They Are Doing Goerd Abel, 2024-04-18 It seems to most people who are inundated with news from the press television or the internet that the problems in their own country or in the world are getting bigger and bigger and that politics and politicians are getting worse and worse Politicians are unable to solve the problems at hand or can only do so poorly They lack a focus on the common good of all citizens and their actions frequently constitute the root cause of the issue Almost everyone is aware that only bad news sells well but they are usually unable to free themselves from this misjudgment Maybe this book can help people overcome this trap of thought and point out ways to make positive changes in the future Indeed by analyzing the social development of Homo Sapiens since the acquisition of the ability to write this work aims to demonstrate ways in which our political culture can be improved through a more effective selection of politicians and in so doing avoiding potentially catastrophic disappointments

Women Have All The Power...Too Bad They Don't Know It Michael J. Lockwood, 2010-08-03 The award winning Essence bestseller that gives women straight talk on men love and relationships Michael J Lockwood knows that when it comes to relationships women really have the control It's the man's game not to let them know it This empowering book is a wake up call for women It challenges them to be responsible for their actions raise their standards stop compromising and to use their power to find

a man who cherishes commitment and appreciates a fine woman Readers will discover The red flags that signal trouble Why men live for the thrill of the hunt The techniques men use to get women into bed and away from the altar The ten things to never do on a date How women regain their rightful position of power in a relationship Martin Luther King Jr., National Historic Site, State of Georgia, and the Chacoan Culture Preservation Act United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Parks, Recreation, and Renewable Resources,1981 **Radical Equations** Robert Moses,Charles E. Cobb,2002-02-01 The remarkable story of the Algebra Project a community based effort to develop math science literacy in disadvantaged schools as told by the program s founder Bob Moses was a hero of mine His quiet confidence helped shape the civil rights movement and he inspired generations of young people looking to make a difference Barack Obama At a time when popular solutions to the educational plight of poor children of color are imposed from the outside national standards high stakes tests charismatic individual saviors the acclaimed Algebra Project and its founder Robert Moses offer a vision of school reform based in the power of communities Begun in 1982 the Algebra Project is transforming math education in twenty five cities Founded on the belief that math science literacy is a prerequisite for full citizenship in society the Project works with entire communities parents teachers and especially students to create a culture of literacy around algebra a crucial stepping stone to college math and opportunity Telling the story of this remarkable program Robert Moses draws on lessons from the 1960s Southern voter registration he famously helped organize Everyone said sharecroppers didn t want to vote It wasn t until we got them demanding to vote that we got attention Today when kids are falling wholesale through the cracks people say they don t want to learn We have to get the kids themselves to demand what everyone says they don t want We see the Algebra Project organizing community by community Older kids serve as coaches for younger students and build a self sustained tradition of leadership Teachers use innovative techniques And we see the remarkable success stories of schools like the predominately poor Hart School in Bessemer Alabama which outscored the city s middle class flagship school in just three years Radical Equations provides a model for anyone looking for a community based solution to the problems of our disadvantaged schools Investigation of the Assassination of Martin Luther King, Jr United States. Congress. House. Select Committee on Assassinations,1979 **Biting the Bullet** Jennifer Rardin,2008-02-11 I m Lucille Robinson aka Jaz Parks This is a mission unlike anything my vampire boss Vayl and I have ever been on It s not our usual take them out and run it s an undercover mission that needs the whole gang a psychic an interpreter and a weapons specialist We re joining a Special Ops team to nail the Wizard a major terrorist thorn in the military s side We ve never gone in with such heavy artillery before but the more the merrier right Um nope At least not since Vayl and I learned part of our job is to ferret out a mole concealed in our unit To add to our problems we re being harried by a pack of reavers bent on revenge and targeted by a Seer who wants to share Vayl s power at any cost Oh yeah and let s not forget the army of demonic soul sucking parasites either This is going to be a blast *Congressional Record*
