With an Introduction by
PHILIP RIEFF

Dora An Analysis Of A Case Of Hysteria

Sigmund Freud, Philip Rieff

Dora An Analysis Of A Case Of Hysteria:

Dora: an Analysis of a Case of Hysteria Sigmund Freud, 1963 **Dora: an Analysis of a Case of Hysteria** Sigmund Freud, 1963 **A Case of Hysteria** Sigmund Freud, 2013-04-11 I very soon had an opportunity to interpret Dora's nervous coughing as the outcome of a fantasized sexual situation. A Case of Hysteria, popularly known as the Dora Case, affords a rare insight into how Freud dealt with patients and interpreted what they told him. The 18-year-old Dora was sent for psychoanalysis by her father after threatening suicide. As Freud's enquiries deepened, he uncovered a remarkably unhappy and conflict-ridden family with several competing versions of their story. The narrative became a crucial text in the evolution of his theories, combining his studies on hysteria and his new theory of dream interpretation with early insights into the development of sexuality. The unwitting preconceptions and prejudices with which Freud approached his patient reveal his blindness and the broader attitudes of turn-of-the-century Viennese society, while his account of Dora's emotional travails is as gripping as a modern novel. This new translation is accompanied by a substantial introduction which sets the work in its biographical, historical, and intellectual context and offers a close and critical analysis of the text itself. ABOUT THE SERIES For over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more. Dora Sigmund Freud, Philip Rieff, 1971 **Freud Reader** Sigmund Freud, 1995-09-05 Selections span Freud's career from early case histories through his work on dreams, essays on sexuality, and his later philosophical writings. Most are reproduced in full and have been selected from the standard edition. Gay ties all together with an analytical introduction, chronology of life and work, and commentary throughout. Ideal size book for reading and browsing, marred only by the inexplicable use of poor quality and acidic paper. Annotation copyrighted by Book News, Inc., Portland, OR **The Feeling Intellect** Philip Rieff, 1990 Collected here for the first time, these writings demonstrate the range and precision of Philip Rieff's sociology of culture. Rieff addresses the rise of psychoanalytic and other spiritual disciplines that have reshaped contemporary culture. The Freudian Reading Lis Møller, Lis Møller, 2016-11-11 Selected by Choice magazine as an Outstanding Academic Title. In *The Freudian Reading*, Lis Møller examines the premises, procedures, and objectives of psychoanalytic reading in order to question the kind of knowledge such readings produce. But above all, she questions the role of Freud as master explicator. Although Freud has been seen as a great synthesizer, Møller contends that his significance as a reader lies elsewhere. For Møller, this significance lies in the way Freud presses his inquiry to the point where he encounters something he cannot explain or that he can only explain at the risk of overthrowing previous conclusions. Such moments of crisis occur repeatedly in Freud's work, causing him to swerve from his original train of thought or even to call into question the theoretical foundation of his

interpretation The dominant line of argument therefore is frequently punctuated with problems and questions If we concentrate on these M ller argues we are forced to reconsider the traditional conception of a Freudian reading and to reassess our perceived notions of just what kind of reader Freud was While The Freudian Reading is based on a wide range of Freud s writings it concentrates on four central texts Delusions and Dreams in Jensen s Gradiva From the History of an Infantile Neurosis The Uncanny and Constructions in Analysis The discussion does not progress chronologically Rather it explores the ways in which these texts interact how they reflect comment on and contradict one another The Freudian Reading is a concentrated subtle analysis of Freud s interpretive practice with special reference to his interpretations of literary texts It will be of interest to scholars and students of literary theory and criticism as well as to readers in the field of psychoanalysis

A Case of Hysteria Sigmund Freud,2013-04-11 I very soon had an opportunity to interpret Dora s nervous coughing as the outcome of a fantasized sexual situation A Case of Hysteria popularly known as the Dora Case affords a rare insight into how Freud dealt with patients and interpreted what they told him The 18 year old Dora was sent for psychoanalysis by her father after threatening suicide as Freud s enquiries deepened he uncovered a remarkably unhappy and conflict ridden family with several competing versions of their story The narrative became a crucial text in the evolution of his theories combining his studies on hysteria and his new theory of dream interpretation with early insights into the development of sexuality The unwitting preconceptions and prejudices with which Freud approached his patient reveal his blindness and the broader attitudes of turn of the century Viennese society while his account of Dora s emotional travails is as gripping as a modern novel This new translation is accompanied by a substantial introduction which sets the work in its biographical historical and intellectual context and offers a close and critical analysis of the text itself ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Autobiographics Leigh Gilmore,1994 In the first comprehensive feminist critique of autobiography as a genre Leigh Gilmore incorporates writings that have not up to now been considered part of the autobiographical tradition Offering subtle and perceptive readings of a wide variety of texts from the confessions of medieval mystics to contemporary works by Chicana and lesbian writers she identifies an innovative practice of autobiographics which covers the entire spectrum of women s self representation

The Austro-Marxists 1890-1918 Mark E. Blum,2014-07-15 In the brilliant world of Vienna at the turn of the century four men Karl Renner Otto Bauer Max Adler and Friedrich Adler sought to develop political and economic resolutions to the racial and cultural tensions that were beginning to strain the bonds of the Austro Hungarian Empire In this

highly original study of these Austro Marxists Mark E Blum uses the insights of depth psychology to trace the roots of their political philosophy in their family and social backgrounds The Austro Marxists 1890 1918 is the first book to offer a systematic examination of the thought and milieu of these four thinkers The only major work on the subject in English it is a significant contribution to the history of European socialism and in particular to the development of Marxist thought outside Russia

Freud on Women Sigmund Freud, 1992 Ever since Freud made his first major statements about female sexuality and psychology his views have been the focus of intense debate both within psychoanalysis and without

Sigmund Freud's The Interpretation of Dreams Laura Marcus, 2024-06-04 Freud's The Interpretation of Dreams published in 1900 has been one of the most influential texts of the modern era fundamentally changing the ways in which people have thought about their waking lives as well as their dreams This book more than any other in Freud's massive oeuvre has shaped a vast amount of work in linguistics and semiotics literary studies film theory psychology philosophical hermeneutics and the history of ideas This influence is reflected in the editor's introduction which includes a substantial discussion of the theory and practice of representation and the six essays specially commissioned for this volume The contributors are renowned for their knowledge of Freudian theory and for their interdisciplinary expertise in a wide range of fields They examine for example the relationship of Freud's text to theories of interpretation autobiography and literary production The book as a whole gives a clear sense both of the context of Freud's text and of its influence throughout the twentieth century This volume is an ideal introduction to Freud's work for students and teachers of English and other literatures philosophy and social and cultural studies as well as the wider audience concerned with psychoanalysis and its cultural ramifications

Rereading the New Kevin J. H. Dettmar, 1992 Leading scholars speculate on the postmodern aspects of modernist literature

Encyclopedia of Disability Gary L Albrecht, 2006 Presents current knowledge of and experience with disability across a wide variety of places conditions and cultures to both the general reader and the specialist

Freud Peter Gay, 1998 A biography and study of the psychoanalyst's career family personal life and professional struggles

Femininities, Masculinities, Sexualities Nancy J. Chodorow, 2014-04-23 The author of The Reproduction of Mothering examines the problems with how psychoanalysis views sexuality and gender Nancy J Chodorow takes her fellow psychoanalysts to task for their monolithic and pathologizing accounts of deviant gender and sexuality Drawing from her own clinical experience the work of Freud and a close reading of psychoanalytic texts Chodorow argues that psychoanalysis has yet to disentangle male dominance from heterosexuality Further she demonstrates the paucity of psychoanalytic understanding of heterosexuality and the problematic polarizing of normal and abnormal sexualities By returning to Freud and interpreting psychoanalysis through clinical eyes Chodorow contends that psychoanalysis must consider individual specificity and personal cultural and social factors Such a methodology entails a plurality of femininities and masculinities and enables us to understand a variety of sexualities Praise for Femininities Masculinities Sexualities Raises challenging

questions but makes no easy answers Psychoanalytic Quarterly Chodorow s convincing analysis leads us to wonder whether it is any longer useful to think in terms of a normative boy and girl man and woman father and mother and heterosexual and homosexual Sally Moskowitz Chodorow helps us through the dense riches of Freud s writing signposting his scattered but significant moments of empathy with women s subjective experience even as she takes apart his objectified masculine images The Women s Review of Books A provocative reminder that these are complex issues and that humans with their capacity for individual variation are complicated subjects Kirkus Reviews *Performing Feminisms* Sue-Ellen Case,1990-02 A valuable provoking important addition to any theatre scholar or practitioner s library especially since feminist theory is a relative newcomer to the world of theatre

Recognizing the showing off ways to acquire this book **Dora An Analysis Of A Case Of Hysteria** is additionally useful. You have remained in right site to start getting this info. get the Dora An Analysis Of A Case Of Hysteria colleague that we have enough money here and check out the link.
