Reckless Christianity Holly Pivec, R. Douglas Geivett, 2025-01-01 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God's activity others see the integration of controversial and hazardous practices into the church In Reckless Christianity Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation Reckless Christianity argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith **Deceived No More** Doreen Virtue, 2020-07-28 The Miraculous Story of a Hugely Successful New Age Teacher's Conversion to Christianity In this brilliant utterly captivating memoir Doreen Virtue chronicles her journey in discovering everything she believed in was a lie She poignantly shares the price she's paid for following Jesus New Age teachings are based on concepts that sound almost irresistible But as Doreen discovered they come with a hidden price your eternal destiny Here is a riveting personal confessional of how a former false prophet learned to trust God after nearly wasting a lifetime being independent and willful trying to predict and control the future and how Jesus saved her soul from deception and opened her eyes to His truth Deceived No More can help you learn how to discern dangerous teachings so you can detect and avoid deception Topics include How to spot New Age teachings and why they're dangerous Biblical ways to deal with persecution spiritual warfare and other post conversion issues How to witness to a New Ager Thy Queendom Come V. person's life and work. Many books have been written putting forth ideas, philosophies, and words of wisdom to live by. Some of these we call holy books or scripture. Fewer books have been written like this one which go behind the scenes of history, lay bare the feelings behind the philosophies, and document the painful and joyful inner path along which historical events and philosophical ideas emerge. This book is intensely even shockingly personal, not clinical or abstract or detached. It is an intimate, detailed, sensual, and sometimes disturbing account of a life lived on the cusp that bridges time and eternity. Its focus is narrow; it does not reveal much at all about anyone's visible public life or accomplishments, but it explores in great depth the invisible contents of minds, hearts, and souls. The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path, but they are still only theoretical, hypothetical, mythical, or metaphorical accounts. This book seeks to show how the theories and hypotheses play out pragmatically in real time and space, how the myths come alive in flesh and spirit, how the metaphors become the very things they symbolize. How does daily life look from inside someone in the throes of awakening? How does she know who or what she is? How is her destiny revealed? How do seemingly ordinary, mundane events become miracles? This book begins to answer those questions.

based narrative is intensely personal documenting the lived embodiment of mystical principles across time grief and divine revelation From devastating loss to divine union from emotional disintegration to spiritual clarity Betty records her journey not as metaphor but as transformation made flesh More than a spiritual memoir this book is a detailed sensual and unfiltered chronicle of mystical awakening It explores tantric love divine feminine spirituality and non dualism through a lens that is both deeply human and profoundly sacred Rather than offering abstract theories it shows how the myths of sacred texts take shape in daily life It answers the questions rarely spoken aloud What does enlightenment feel like in real time How does one survive and evolve through spiritual paradox grief and loss and the collapse of personal identity Infused with mystical awakening philosophical reflection and raw emotional truth this is not a book about religion It is a book of lived revelation For readers seeking a deeper understanding of consciousness sacred sexuality or the journey of awakening this memoir is a path inward Step beyond the stories Walk into the soul Buy now and begin the journey
