Panichas,1976 **The Burden of Vision** George A. Panichas,1977 **Remembering The End** P. Travis Kroeker,Bruce Ward,2001-03-16 Dostoevsky was one of those writers of the nineteenth century who came to be regarded by many readers in the following century as a prophet How does he remain prophetic for us now in the early twenty first century Remembering the End explores and assesses Dostoevsky s critique of modernity with particular focus on the Grand Inquisitor in The Brothers Karamazov where his prophetic vision finds its most intense expression The authors write to elucidate the spiritual realism of Dostoevsky s biblically charged literary art and to show how it can help us to remember who we are in this modern postmodern moment in which as individuals and members of communities we are required to make critical choices about the meaning of justice history truth and happiness The book will be of interest to readers in comparative literature ethics political theory philosophy religious studies and theology **The Religion of**

Dostoevsky Alexander Boyce Gibson, 2016-08-11 Why has Dostoevsky influenced so much of the religious thinking of our times His impact on modern theologians Barth for example has been great and thousands of his readers have been stirred by his extraordinary power to register metaphysical insights in narrative form This fresh and subtle study of Dostoevsky s life and writing demonstrates that the great Russian s relevance for our day lies in his perception that religious faith and philosophic doubt are inseparable in his illustration that the practice of religion and intellectual scruples belong together and actually enhance each other Gibson records what is known from outside the novels of his successive engagements and disengagements with the Christian faith He then traces chronologically the path of Dostoevsky s developing thoughts and feelings as presented in the novels themselves and his sentiments as distributed among his characters Especially illuminating is the author s analysis of the dichotomies that make up the fascinating puzzle of Dostoevsky s complexity Overlapping but never coinciding are the two perspectives of reflective artist and journalist reporter Buttressing Dostoevsky s dialectical method of thinking was the literary device of the double the character with contradictory ways of thought and behavior Gibson shows how all these factors structured Dostoevsky s depiction of mental moral and religious ambiguities This stimulating guide which takes the reader from Notes from Underground through The Brothers Karamazov explores the polarities of reason and faith as the irreconcilables that Dostoevsky constantly tries to reconcile Everyone who has found his own vision of ethics or of religion expanded by Dostoevsky s work will find this literary study provocative and informative Professor A Boyce Gibson who died in 1972 was a Professor of Philosophy at the University of Melbourne Australia and a lifelong admirer of Dostoevsky s novels
