DOE Explain	Direct Quote and Page Number	Quote Significance/Response
	"For the survivor who chooses to testify, it is clear: his duty is to bear witness for the dead and for the living. He has no right to ignore their grief, for all that he has is his memory. To forget would be not only dangerous but offensive; to forget the dead would be akin to killing them a second time" (Eliezer, 24).	Through this quote, Eliezer expressed his stance on indifference. One must be there witness to "killing". I wanted to state it is the duty of the people to stand up for those who lost their lives by reflecting future generations about the awful things that can happen when good people remain indifferent.

Bos,2005-06-03 Combining cultural history and literary analysis this study proposes a new and thought provoking reading of the changing relationship between Germans and Jews following the Holocaust Two Holocaust survivors whose work became uniquely successful in the Germany of the 1980s and 1990s Grete Weil and Ruth Kluger emerge as exemplary in their contributions to a postwar German discussion about the Nazi legacy that had largely excluded living Jews While acknowledging that the German audience for the works of Holocaust survivors began to change in the 1980s this study disputes the common tendency to interpret this as a sign of greater willingness to confront the Holocaust arguing instead that it resulted from a continued German misreading of Jews criticisms By tracing the particular cultural political impact that Weil s and Kluger s works had on their German audience it investigates the paradox of Germany s confronting the Holocaust without necessarily confronting the Jews as Germans Furthermore for the authors this literature also had a psychological impact their return to the German language and to Germany is read not as an act of mourning or nostalgia but rather as a public call to Germans for a dialogue about the Nazi past as a way to move into the public realm the private emotional and psychological battles resulting from German Jews exclusion from and persecution by their own national community
