Down From The Mountain The High Plains Gunman:

Down From the Mountain Voyle Glover, 2024-04-06 Men Bred for the Old West By the time he was 18 Kyle Elliot was fighting Comanche raiders the most fierce warriors who'd ever ridden across the broad plains of Texas He'd ridden with Captain John Coffee Hays in the Texas Rangers and learned to fight in ways most men never understood Being A Marshal is a Tough Job Elliot is headed to a small sleepy little town hoping to serve as marshal hoping he can avoid the problems he had in his last marshal's job which involved having to kill several men and getting in the middle of a range war Now he'd accepted a lawman's job in a peaceful town It seemed to be perfect But Kyle Elliot would quickly learn that he'd need all the skills he'd learned as a Texas Ranger with Captain Jack to survive The only thing that kept him from leaving was a woman Kyle Elliot was in love But staying meant death probably his and for certain some men who'd regret the day they met Kyle Elliot The local bartender who knew Elliot's reputation and had once seen him in action tried to talk him out of taking the job of marshal He told Elliot These folks they ain't never seen a man like you before Latham he's got some rough boys over at his place but except for maybe a couple of them they ain't seen the likes of you before either Nobody in this town ever saw the likes of you except maybe old man Haggard He rode with a pretty hard crowd in his day Some say he was close to Hardin Latham he'll hire whatever and whoever he needs to kill you I say kill because I know your kind don't run and don't back down That means there will be some dead men stacking up here soon You'll win at first But eventually he'll get you Readers like this author's books This is a western fiction novel of the highest caliber an action packed adventure from Brevia Books by Voyle Glover One reader said of the author reminds me of Louis L Amour's books He was my favorite when it came to westerns Muskrat Other comments by readers I recommend this book to any reader of westerners well paced and exciting Now I'm looking forward to another book by Glover One thing I don't do with a Voyle Glover book is bother with a sample It would just be a waste of time I'm a big fan of traditional westerns and his are among the best I ever read To me a great book is one that engages me from the first page I have to like or hate the characters become fully engaged in their story and wish for more when it's over Mr Glover does a great job of creating interesting characters and unfolding them a little at a time I will definitely be buying more from this author The Law interrupted a budding writing career Voyle Glover is the author of several western novels He wrote his first western just out of the U S Navy and saw it published in Far West a California publication He shared the cover of that magazine with Louis L Amour the Dean of western fiction Glover's writing got interrupted by law school and a hard paced career as a trial attorney litigating federal civil rights cases for many years Glover lived for 16 years in Arizona and has roamed the state ridden many old trails and camped and explored much of that state When he creates a landscape scene in his books he's bringing to life a scene that he's gazed upon at one time If you like classic Old West tales you'll enjoy this one *Frank Schley's American Partridge and Pheasant Shooting* Frank Schley, 1877

Trepanation of the Skull Sergey Gandlevsky,2014-10-15 Sergey Gandlevsky is widely recognized as one of the leading living Russian poets and prose writers His autobiographical novella Trepanation of the Skull is a portrait of the artist as a young late Soviet man At the center of the narrative are Gandlevsky s brain tumor surgery and recovery in the early 1990s The story radiates out relaying the poet s personal history through 1994 including his unique perspective on the 1991 coup by Communist hardliners resisted by Boris Yeltsin Gandlevsky tells wonderfully strange but true episodes from the bohemian life he and his literary companions led He also frankly describes his epic alcoholism and his ambivalent adjustment to marriage and fatherhood Aside from its documentary interest the book s appeal derives from its self critical and shockingly honest narrator who expresses himself in the densely stylized version of Moscow slang that was characteristic of the nonconformist intelligentsia of the 1970s and 1980s Gandlevsky is a true artist of language who incorporates into his style the cadences of Pushkin and Tiutchev the folk wisdom of proverbs and slang in all its varieties Susanne Fusso s excellent translation marks the first volume in English of Sergey Gandlevsky s prose and it will interest scholars students and general readers of Russian literature and culture of the late Soviet and post Soviet periods North Dakota Outdoors ,2011
