*One More Song* Nicki Edwards, 2017-11-28 Can a city boy and a country girl find a way to be together Harrison Baxter and Edwina Campbell lead completely different lives Much has changed for Harry since he escaped his home town of Yallambah ten years ago headed for the bright lights of the big city Now he s the star of Melbourne s hottest musical and feels more at home centre stage than anywhere else Why bother going back to Yallambah to visit his parents when his father couldn t care less about his success Meanwhile nothing much has changed for Edwina in the last decade which is exactly how she likes it Eddie adores her career as a nurse and loves the Yallambah community she can t imagine living anywhere else And even if she wanted to she could never leave her beloved grandparents who raised her like their own daughter She s not going to abandon them in their old age Not for anything So when Harry and Eddie bump into each other on one of Harry s flying visits home their instant mutual attraction seems as pointless as it is intense There s no way they could ever make it work Or is there PRAISE FOR NICKI EDWARDS Edwards captures small town spirit and heartbreak to hope crafted with ease Fiona Palmer Nicki Edwards tackles all the big issues in this delightfully touching story of life loss family relationships and finding love Karly Lane

**Emergency Response: Escape to the Country** Nicki Edwards, 2015-11-26 Running away didn t solve anything at least not the first time Intensive care nurse Mackenzie Jones is no stranger to running As a teenager she fled her family home leaving tragedy and loss in her wake Now after fifteen years alone in Sydney with the strain of working in a city hospital wearing her thin she s tempted to run again Mackenzie jumps at the chance to work in a mining town in the Western Australian desert anything to lift her spirits Though she barely dares to hope she wonders if she might find the kind of love that can ease her loneliness In the outback Nathan Kennedy is at a loose end He s been making money in the mines for years and pressure from his family to return to the east coast settle down and get married is reaching fever pitch The problem is he hasn t met the right woman When Mackenzie turns up in town there s an instant attraction between her and Nathan maybe even true love But tragedy s not done with Mackenzie Jones the past is about to catch up with her in more ways than one Can Nathan convince Mackenzie to stop running or is this just another tragedy in the making Perfect for fans of Fiona McArthur and Melanie Milburne
