Emma (illustrated) Jane Austen, 2018-03-31 Emma illustrated Emma is a comic novel by Jane Austen first published in December 1815 about the perils of misconstrued romance The main character Emma Woodhouse is described in the opening paragraph as handsome clever and rich but is also rather spoiled Prior to starting the novel Austen wrote I am going to take a heroine whom no one but myself will much like emma Book emma jane austen emma by jane austen emma kindle emma ebook *Emma* Jane Austen, 2018-03-21T00:17:13Z Emma is one of Jane Austen's best loved novels Its eponymous heroine Emma Woodhouse has lived a pampered protected life and consequently is somewhat unrealistic when she sets her sights on becoming a matchmaker for a young friend The novel provides a light hearted insight into the distinctions of the rigid class structure of England in the Regency period and the social barriers to marriage between persons considered to be of superior and inferior rank Emma was published in 1815 the last of Austen's novels to be published while she still lived It received a generally very positive reception and was well reviewed though anonymously by Sir Walter Scott Criticisms of the novel such as they were centered around its supposed lack of plot though its treatment of character was recognized and applauded Today it is regarded as one of Austen's best works The novel has been adapted many times for theater movies and television This book is part of the Standard Ebooks project which produces free public domain ebooks **Emma by Jane Austen -**
