Principles of Bach Flower Remedies Stefan Ball, 2013-02-28 Bach flower remedies are natural medicines that have the power to bring balance back into our lives This concise introduction covers the nature and history of Dr Bach s famous system a complete list of remedies instructions on how to select and take them and guidance on finding a practitioner

Growing Up With Bach Flower Remedies Judy Howard, 2011-08-31 Bach Flower Remedies is a system of natural healing for the relief of negative attitudes and moods which not only hinder one's enjoyment of life but are regarded as contributory factors in the cause of physical and emotional suffering. They were discovered during the 1930s by the late Dr Edward Bach, an eminent physician who devoted his life to the cause and cure of disease. The result of his life's work were 38 harmless remedies made from nonpoisonous plants and herbs of the countryside, each pertaining to aspects of human nature, personality and states of mind. The Bach Flower Remedies have deservedly earned themselves a reputation of excellence and are now used extensively throughout the world. *Growing Up with Bach Flower Remedies* shows how the system of healing can help babies, children and adolescents during the turbulent years of youth. The book takes the reader through all the stages of childhood, including developmental progress, illness, schooling, behavior, puberty, examinations and the various other milestones when emotional support is needed. *Growing Up with Bach Flower Remedies* is a book designed for parents but also makes an excellent source of reference for therapists, teachers, nursery nurses, grand parents and guardians, anyone who has an active interest in caring for children of all ages.

A Pony in the Bedroom Susan Dunne, 2015-04-21 Susan Dunne's life changed forever when a chance question from a doctor led her back to horses, an unfulfilled childhood passion. Detached and isolated due to undiagnosed autism, Susan had already survived rape, battled eating disorders and self-harm and spent time homeless when her world was turned upside down by a vicious life-threatening assault. Severe post-traumatic stress disorder left her feeling distrustful and more cut off than ever before from a world she saw as confusing and dangerous. But as Susan's connection with horses grew stronger, her world started to open up. Poignant and witty by turns, Susan shares her story of survival and transformation, offering a rare insight into her relationship with horses and how they helped her to find a safe place in the world.

Horses Who Heal Sue Spence, 2016-04-26 Sue Spence is a gifted horsewoman who has made it her life's work to use her horse whispering skills to help humans. All her life, Sue has found solace and companionship with her horses. After a brush with cancer in her late thirties, Sue and her husband opted for a tree change. As a result, she was able to fulfil a long-held dream to work with horses every day. Her horse training and compassion for others quickly turned into a business, *Horses Helping Humans™*, giving people a chance to learn from these intelligent, soulful creatures, including Sunny, the horse with whom Sue has a special bond. *Horses Who Heal* is the story of one woman's deep love for horses and the powerful life lessons they've taught her along the way. With Sunny always by her side, Sue's equine team are inspiring others on their own journey of healing, helping thousands of people, from juvenile offenders to company CEOs, discover the power of communication using more than just words.

Beyond Words: the Healing Power of Horses Alita H. Buzel, PhD, 2016-05-06 Excerpts from *Beyond Words The Healing Power of Horses* The space between words is where we live with horses In the silence we are truly heard So much of our sadness our discontent our addictions and compulsions are driven by the emptiness we experience when without being aware of it we detach from our emotional selves We often mistake this emptiness as boredom anxiety hunger and or loneliness Horses in their honesty and compassion help us to reconnect to ourselves to our humanness What I have come to believe is that no matter what orientation you bring to psychotherapy or what equine certification you achieve the one variable that has been shown to be critically important is the trusting respectful and compassionate relationship that develops between therapist and client whether the therapist has two or four legs is irrelevant The goal of *Beyond Words The Healing Power of Horses* is to connect the advances made in the treatment and understanding of mental health issues with the knowledge we have accrued through the years about the nature of horses The key is to integrate the two professional worlds of equine specialists and psychotherapists so that each can appreciate communicate and work together to further enhance the practice of Equine Experiential Psychotherapy
