Strange Phenomenons in Homeopathy Isuret Polos,2018-10-11 A small work from Isuret Polos on the frequently experienced strange and extraordinary phenomenons in Homeopathy Modern materialistic science has it s limits for providing a plausible explanation regarding this kind of phenomenons like nonlocal effects and synchronistic events The author describes different types of phenomenons their common patterns and alternative explanation deriving from idealism the branch of science where consciousness is the base of physical reality

The Spiritual Dimension of Alternative Medicine Ernest M. Valea,2020-02-20 We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of alternative medicine

The Original Buddhist Psychology Beth Jacobs, Ph.D.,2017-06-27 Drawing on decades of experience a psychotherapist and Zen practitioner makes the Abhidharma the original psychological system of Buddhism accessible to a general audience for the first time The Abhidharma one of the three major text collections of the original Buddhist canon explores the critical juncture of Buddhist thought and the therapeutic aspects of the religion and meditation It frames the psychological system of Buddhism explaining the workings of reality and the nature of the human mind Composed of detailed matrixes and lists that outline the interaction of consciousness and reality The Abhidharma explores the essence of perception and experience and the reasons and methods behind mindfulness and meditation Because of its complexity the Abhidharma has traditionally been reserved only for academic or monastic study now for the first time clinical psychologist Beth Jacobs makes this dynamic important text and its teachings available to general readers using practical explanation personal stories and vivid examples to gently untangle the technical aspects of
