## **Emotions Miss Understood Poetry From The Soul:**

**Haunted By My Past** Sandra M. Dorazil, 2024-10-15 The youngest get the short end of the stick when situations appear. Many times the youngest are seen as a nuisance that no one wants to hear from because it is often thought they don't know anything about the outside world. That is what I perceived as a young child. Little does everyone know that the youngest such as myself know more than what they get credit for by just knowing information. There are narratives that have been spread from those closest to me even before I can remember. Those points of view only produce parts of what I think or feel. It has been years listening and closing my mouth even if it seemed like I had no problem stating my opinions. I am ready to say enough is enough. Now is the time for myself to state the narrative that I have been longing to say without any interruptions. Are you able to handle my narrative?

**The Soul's Power** Maureen Philpott Napier, 2009-12-22 Maureen Philpott Napier had just turned forty years old. Personally and professionally she was at the top of her game. But on March 26, 2006 she suffered a paralyzing multiple sclerosis attack. Her life, her work, and her identity changed forever. During that first year of her diagnosis she changed from being a food scientist by trade to a scientist exploring her soul. In this memoir Maureen shares her battle with this progressive destructive disease for which there is no known cure. Through her emotional personal story and through poetry Maureen narrates the challenging but rewarding healing journey back to life. The path was often dark, painful, and lonely. But *The Soul's Power* describes how she came to understand the Divine gift given to her and how she continues to recreate her life and write her words of wisdom from her soul. An inspirational story of self-awareness, *The Soul's Power* demonstrates how one woman faced her demons and realized her greatest strength was buried deep within her.
