From the heart of Africa a spellbinding true story of entrepreneurship media culture and tradition all tastefully rolled into one Absolute Radio is an authentic story of girls and boys who became women and men and heroes on the wings of a radio station Running the course of 25 years the story comes from the culturally stylish twin city of Sekondi Takoradi in Ghana with global footprints It is the most tantalising and ground breaking body of work about Ghana's private broadcasting industry The author former journalist Phillip Nyakpo is himself an eye witness and a participant in these true events From his base in Perth Australia Phillip interviewed women and men across four continents who made it happen over a quarter of a century The result is that he opened up to the world a character and spirit of Africa that is all too often missing In telling the story he writes a compelling narrative that is delicate witty eye opening and wonderfully inspiring
