Encountering Ancient Voices:

Encountering Ancient Voices Corrine L. Carvalho, 2006 Designed to get students to read the Bible for themselves this introduction to and overview of the Old Testament draws on the most recent research on the Hebrew scriptures to outline the historical social and cultural contexts out of which the biblical texts were produced From publisher description

Encountering Ancient Voices Corrine L. Carvalho, 2013 *The Persian War in Herodotus and Other Ancient Voices* William Shepherd, 2019-11-28 An exciting highly informative and also enjoyable read Shepherd writes with clarity and verve this book should find its way into the hands of all schools universities and lovers of Herodotus Peter Jones Classics for All Weaving together the accounts of the ancient historian Herodotus with other ancient sources this is the engrossing story of the triumph of Greece over the mighty Persian Empire The Persian War is the name generally given to the first two decades of the period of conflict between the Greeks and the Persians that began in 499 BC and ended around 450 The pivotal moment came in 479 when a massive Persian invasion force was defeated and driven out of mainland Greece and Europe never to return The victory of a few Greek city states over the world's first superpower was an extraordinary military feat that secured the future of Western civilization All modern accounts of the war as a whole and of the best known battles of Marathon Thermopylae and Salamis depend on the ancient sources foremost amongst them Herodotus Yet although these modern narratives generally include numerous references to the ancient authors they quote little directly from them The extracts from other ancient writers add value to Herodotus narrative in various ways some offer fresh analysis and credible extra detail some contradict him interestingly some provide background illumination and some add drama and colour All are woven into a compelling narrative tapestry that brings this immense clash of arms vividly to life This is the first book to bring together Herodotus entire narrative and interweave it with other ancient voices alongside detailed commentary to present and clarify the original texts **Samuel, Kings, Chronicles, Ezra-Nehemiah** Athalya Brenner-Idan, Gale A.

Yee, 2021-07-29 This volume brings together disparate views about biblical texts in the books of Samuel Chronicles and Ezra Nehemiah and examines their influence in the life of contemporary communities demonstrating how today's environments and disorders help readers to acquire new insights into such texts The contributing scholars hail from different continents from East Asia to the United States to Europe to South Africa and Israel and count themselves as members of various Jewish and Christian traditions or secularist ways of life But in spite of their differences in location and community membership and perhaps in the spirit of the times 2020 and its global discontents they share preoccupations with questions of ethics in politics and life proper death violence and social exclusion or inclusion This volume offers readers a better understanding of how politics and faith can be melded both in ancient and contemporary contexts to serve the interests of certain classes and societies often at the expense of others **New Collegeville Bible Commentary** Daniel Durken, 2015 Concise and accessible this one volume edition of the New Collegeville Bible Commentary Old Testament draws together the individual

contributions to the Old Testament series and offers them to readers in a convenient and attractive format Written by an array of respected scholars the individual commentaries collected here bring expert insight into the Old Testament to Bible study participants teachers students preachers and all readers of Scripture A first rate reliable resource for Bible study and reflection the New Collegeville Bible Commentary Old Testament answers the Second Vatican Council's call to make access to Scripture open wide to the Christian faithful *Journal of Latin American Theology, Volume 12, Number 1* Lindy Scott, 2017-05-02 Special Issue on Being Faithful to God in the Era of Trump What does it look like to live as citizens under God's reign and as seekers of God's justice in today's world Donald Trump was inaugurated as the US president on January 20 2017 Whenever there is a new person in that position it is good for followers of Jesus Christ to pause and reflect under the light of Scripture regarding not only the new president's policies but also our own responsibilities as the people of God This issue of the Journal of Latin American Theology is our invitation to pursue that hard work of reflection and action The resounding message is that Christians today need to express a faithful public witness that Jesus Christ is Lord The articles herein discuss certain facets of such faithfulness what it means to be the people of God just stewardship of money in light of international trade agreements living simply and working hard to care for the planet God has entrusted to us Christ centered as opposed to fear based relations between native born and foreigners understanding and acting upon the biblical connection between shalom and justice and responding carefully to those who face scarcity in the land of plenty May our readers be equipped to live as more faithful representatives of God's all encompassing reign *Theology from the Great Tradition* Steven D. Cone, 2018-02-22 This textbook provides complete and comprehensive coverage of the theological tradition of Aquinas Maximus Luther Irenaeus Lonergan von Balthasar Schmemmann Meyendorf and Barth Each section of this textbook explores a wide variety of questions who are we Is there a God and if so what is his nature Who is Jesus What does it mean that we live both in sin and righteousness It consists of 15 modules that are comprised of 46 chapters Each module has two parts there are systematic chapters that discuss and explain each module's topic and the final chapter of each module examines 4 to 6 primary sources that are important for each topic This textbook includes an extensive range of pedagogical features Sample tests in which each objective question has been quality tested by classroom use with a discrimination index A discussion guide for each chapter Learning objectives linked to each chapter The text includes bold faced terms boxed text sections that identify central figures and points of debate study question chapter summaries glossary *New Collegeville Bible Commentary: Old Testament* Daniel Durken, 2015-12-17 Concise and accessible this one volume edition of the New Collegeville Bible Commentary Old Testament draws together the individual contributions to the Old Testament series and offers them to readers in a convenient and attractive format Written by an array of respected scholars the individual commentaries collected here bring expert insight into the Old Testament to Bible study participants teachers students preachers and all readers of Scripture A first rate reliable resource for Bible study and reflection the New Collegeville Bible

Commentary Old Testament answers the Second Vatican Council's call to make access to Scripture open wide to the Christian faithful

Proverbs Sue Edwards, 2013-01-16 In eight weeks this interactive Bible study for women will show what the proverbs say about daily life how they apply to modern times and how they reveal the wisdom of God Part of the discovery series this updated edition has been reorganized to facilitate either individual or group use and supplemented with inspirational sidebars and short 3 5 minute teaching videos Scan the video QR code with a smart phone or visit the series Web site to watch Sue provide historical and cultural background teach important truths found in each week's lesson or ask thoughtful questions to encourage deeper discussion

Interpreting the Gospel and Letters of John Sherri Brown, Francis J. Moloney, 2017-07-18 Accessible comprehensive and up to date Interpreting the Gospel and Letters of John is an ideal text for students new to the discipline of biblical studies Sherri Brown and Francis J Moloney present a broad overview of the story of Christianity arising out of its Jewish foundations and proceed to guide readers expertly through the contents of the Gospel and Letters of John Maintaining that Johannine literature is best understood against the background of the Old Testament covenant metaphor Brown and Moloney focus on the central role of covenant in the narrative of John's Gospel and highlight the Evangelist's use of fulfillment language Helpful sidebars maps questions for review and further reading lists are placed throughout the text making this volume well suited for classroom use

Interpreting the New Testament Francis J. Moloney, Sherri Brown, 2019-10-03 A succinct and accessible text for teaching students how to interpret the New Testament This new textbook effectively introduces students to the art and craft of biblical interpretation New Testament scholars Sherri Brown and Francis Moloney begin by orienting students to the world of the Bible exploring contemporary methods for interpreting the biblical literature and showing how the Old Testament is foundational to the formation of the New Testament The book proceeds to lead readers through the books of the New Testament by genre The Narratives Gospels and Acts Paul and His Letters Hebrews and the Catholic Epistles Apocalyptic Literature and the Book of Revelation Unlike book by book introductory textbooks that tend to overshadow the primary biblical text with lots of detailed information Brown and Moloney's Interpreting the New Testament actually facilitates the study of the New Testament itself Their concluding chapter reflects on the challenge of the New Testament to our present world

Biblical Exegesis, Third Edition John H. Hayes, Carl R. Holladay, 2007-03-19 John Hayes and Carl Holladay have thoroughly revised and expanded this best selling textbook adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis All bibliographies have been updated and Scripture has been converted to the NRSV This new edition retains the features of the early editions a minimum of technical terms solid introductory guidelines in exegetical methods and a valuable presentation of exegetical theory and practice It is ideal for general introductory exegesis courses introductions to the Old and New Testaments and introduction to preaching as well as for pastors and lay leaders

The Bible as Political Artifact Susanne Sholza, 2017-10-15 Biblical studies and the teaching of biblical studies are clearly changing though it is less clear what the changes mean and

how we should evaluate them Susanne Scholz casts a feminist eye on the politics of pedagogy higher education and wider society decrypting important developments in the architecture of educational power She also examines how the increasingly intercultural interreligious and diasporic dynamics in society inform the hermeneutical and methodological possibilities for biblical exegesis Taken as a whole the fourteen chapters demonstrate that the foregrounding of gender placed into its intersectional contexts offers intriguing and valuable alternative ways of seeing the world and the Bible's place in it *The Bible in Theory* Stephen D. Moore, 2010 The sixteen essays assembled in this volume four of them co-authored chart the successive phases of a professional life lived in the interstices of Bible and theory Engaging such texts as the Song of Songs 4 Maccabees Mark Luke Acts John and Romans and such themes as the quest for the historical Jesus the essays simultaneously traverse postmodernism deconstruction New Historicism autobiographical criticism cultural studies postcolonial studies masculinity studies queer theory and posttheory Individual essay introductions and periodic annotated bibliographies make the volume an advanced introduction to biblical literary criticism From publisher's description *The Ongoing Renewal of Catholicism* Brennan Hill, 2008 Broad Engaging Accessible Appealing These are just a few of the words reviewers used to describe *The Ongoing Renewal of Catholicism* In *The Ongoing Renewal of Catholicism* Professor Brennan Hill has provided a wonderfully engaging progressive look at Catholic theology for today Dr Hill's discussion introduces to readers the foundations of Catholic thought follows the development of that thought and looks closely at the issues of today's world and Catholicism's response While firmly rooted in the Catholic tradition the author takes an ecumenical approach by incorporating teachings and insights from other Christian churches and world faiths *The Invention of the Biblical Scholar* Stephen D. Moore, Yvonne Sherwood, In this tale of two disciplines Stephen D Moore and Yvonne Sherwood invite the reader into a paradox just as the wider field of literary studies has now come to operate after theory biblical scholars continue their long search for an elusive Holy Grail a definitive literary critical theory Understanding that paradox requires revisiting the peculiar history by which the curious figure of the biblical scholar was invented during the Enlightenment and how contemporary biblical scholarship continues however unwittingly to pursue Enlightenment goals *Biblical Theology of Life in the Old Testament* Albert J. Coetsee, Francois P. Viljoen, 2021-11-30 Life is a primary theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament

the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept of life in Scripture to draw the lines together

The Christian Theological Tradition Mark McInroy, Michael J. Hollerich, 2019-07-26 The fourth edition of The Christian Theological Tradition provides students with essential theological knowledge of key persons and events of the Bible and the Christian faith and of Christianity's multifaceted encounter with Western culture Historically arranged the textbook addresses major theological themes such as revelation God Jesus Christ Creation salvation and the church The textbook deals with the entire Christian tradition from an orientation that is both Catholic and ecumenical with the fourth edition including expanded coverage of modern Protestant Christianity The Christian Theological Tradition has been thoroughly revised and updated with nine new or rewritten chapters including A new section on the reception of the Second Vatican Council including the pontificate of Pope Francis A new treatment of contemporary developments in liberation and environmental theology A new examination of the relationship between science and Christianity An entirely rewritten treatment of Islam that focuses on the ways in which the Christian tradition has historically understood and responded to Islam A new discussion of the New Atheism with theological responses to this influential movement New textboxes on aspects of religious life such as liturgy prayer art moral teaching and social institutions appropriate to given chapters With the assistance of images and maps key words and recommended reading this textbook outlines the methods for Christian theology and demonstrates the relevance of the Christian theological tradition for our contemporary world This is an ideal resource for students of theology biblical studies or religious studies and anyone wanting an accessible and comprehensive introduction to the Christian theological tradition

Transforming Graduate Biblical Education Elisabeth Schüssler Fiorenza, Kent Harold Richards, 2010 This unique collection of essays originating in seminars held at SBL's Annual and International Meetings explores the current ethos and discipline of graduate biblical education from different social locations and academic contexts It includes international voices of well established scholars who have urged change for some time alongside younger scholars with new perspectives The individual contributions emerge from a variegated set of experiences in graduate biblical studies and a critical analysis of those experiences The volume is divided into four areas of investigation The first section discusses the ethos of biblical studies and social location and the second explores different cultural national formations of the discipline The third section considers the experiences and visions of graduate biblical studies while the last section explores how to transform the discipline All the contributions offer ways to transform graduate biblical education so that it becomes a socializing power that in turn can transform the present academic ethos of biblical studies Back cover

The Theology of Suffering and Death Natalie Kertes Weaver, 2013 This book introduces the spiritual and theological issues raised by suffering and dying It relates theology to practical issues of caregiving and provides a toolbox for thinking about suffering and death in a creative and supportive way

Embracing the Melody of Phrase: An Emotional Symphony within **Encountering Ancient Voices**

In a world consumed by monitors and the ceaseless chatter of fast communication, the melodic beauty and emotional symphony produced by the published word frequently diminish in to the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. But, nestled within the pages of **Encountering Ancient Voices** a stunning literary value full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that captivating masterpiece conducts visitors on a mental journey, well unraveling the concealed songs and profound affect resonating within each cautiously crafted phrase. Within the depths with this touching review, we shall examine the book is main harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
