**Controversial Books in K-12 Classrooms and Libraries** Randy Bobbitt,2019-10-04 Controversial Books in K 12 Classrooms and Libraries Challenged Censored and Banned analyzes the history of controversy surrounding assigned reading in K 12 classrooms and books available in school libraries Randy Bobbitt outlines the history of book banning and controversy in the United States stemming from 1950s conservative Cold War values of patriotism and respect for authority and ramping up through the 1960s and onward as media coverage and parental intervention into the inner workings of schools increased The author claims that sensitive topics including sexuality suicide and drug use do not automatically imply the glorification of deviant behavior but can be used constructively to educate students about the reality of life Bobbitt argues that in an effort to shield children from the dangers of controversial issues parents and administrators are depriving them of the ability to discover and debate values that are inconsistent with their own and those around them teaching instead that avoidance of different viewpoints is the solution Scholars of education communication literature and policy will find this book especially useful **InkShard: A Compendium of Essays** Eric Muss-Barnes,2019-06-16 InkShard is a compendium of articles and social commentary written by author Eric Muss Barnes between 2004 and 2018 Revised and expanded this volume assembles various topics culled from posts on social media websites to the scripts of video essays Carefully compiled from the finest of his journalistic work InkShard represents the definitive collection of Eric s most compelling dissertations and beloved editorials **How to Write a Query Letter** Donna Marie Murphy,2013 Of the nearly 5 million unsolicited manuscripts letters and columns received each year by newspaper editors magazines and literary agents around the world estimated by a 2006 issue of Writer s Digest less than half of one percent are even read when they reach their destination And most of the problem lies in the lack of a coherent query letter This book was written for any potential writer looking to effectively write and send a query letter that will grab the attention of the editor or agent to whom it is addressed From publisher description *Britannica Book of the Year 2011* Encyclopaedia Britannica, Inc.,2011-03-01 The Britannica Book of the Year 2011 provides a valuable viewpoint on the people and events that shaped the year In addition to keeping the Encyclopaedia Britannica updated it serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world *Part Blood, Part Ketchup* Karen R. uncovering trends that obliterate cultural divides With unrestrained American voices the collective pitch of their complaints soars revealing an unmistakable formula of heightened self exposure and fury As in the case of protagonists on the page and the screen it becomes difficult to distinguish authentic suffering from performance\_or in the words of one reviewer\_the ratio of blood to ketchup Breathtaking in scope Part Blood Part Ketchup situates over one hundred years of literature and film within national historical and global contexts tracing 19th century European allegations of a troubling narrowness in the American character to contemporary insights about the global superpower Ultimately Karen Tolchin finds that subtle evolution of the American coming of age narrative has performed significant cultural work in the construction of our national mythology
