**Darkening of the Light** Llewellyn Vaughan-Lee, 2013-11-01

OVER THE LAST decade or more we have become increasingly aware of how our materialistic energy intensive civilization has been destroying the fragile balance of the web of life that has sustained humanity and all living beings for millennia Yet while spiritual teachings tell us that the events in the outer world are a reflection of changes taking place in the inner worlds we appear to have little awareness of how this outer darkening is reflected within This book written between 2004 and the winter of 2012 tells the story of these inner changes that belong to our spiritual destiny and the fate of our planet It is a witness to the darkening of the light of the sacred reflected in our continued ecological destruction and what this might mean to our shared destiny With this darkening comes the danger that we may lose the opportunity for the global awakening that was possible at the beginning of the new millennium This story of our collective destiny however painful needs to be heard if we are to take responsibility for the Earth and reclaim our sacred role as guardians of the planet I bow to the courage in this book Here Llewellyn Vaughan Lee has allowed himself to hear the cry of the Earth He has been brave enough to face and to feel the immensity of the loss He has dared to share that with us and to hope we can wake up to save what s left of our world and our souls JOANNA MACY Co author Active Hope How to Face the Mess We re in Without Going Crazy I was very moved by Llewellyn Vaughan Lee s reflections MARY EVELYN TUCKER Co director Yale Forum on Religion and Ecology insightfully calls us to action now to avoid further devastation of our planet of the Earth which is our home We can no longer afford to remain in a collective trance ignoring how the Earth is responding to our behavior Llewellyn inspires us to turn within and engage in the work needed to transform our world This book is a gem SANDRA INGERMAN MA author Soul Retrieval and Medicine for the Earth *The Return of the Feminine and the World Soul* Llewellyn Vaughan-Lee,2009-11-01 The feminine holds the mystery of creation This simple and primordial truth is often overlooked but at this time of global crisis which also carries the seeds of a global transformation we need to reawaken to the spiritual power and potential of the feminine Feminine qualities belong to both men and women and they draw us into the depths within us into the mysteries of the soul whose wisdom is called Sophia Without the feminine nothing new can be born nothing new can come into existence we will remain caught in the materialistic images of life that are polluting our planet and desecrating our souls We need to return to the core of our being to where the sacred comes into existence And the mystical feminine holds the key to this work of redemption and transformation Over the past two decades Llewellyn Vaughan Lee has given different teachings on the feminine and the anima mundi the World Soul They are compiled here for the first time Llewellyn Vaughan Lee presents us with a clear picture of the Feminine which is now essential to building a new vision and value for our dear planet earth MARION WOODMAN Ph D Jungian Analyst and author This book is the work of an alchemist a vitally important contribution to the Great Work of rescuing the human soul from the darkness that currently shrouds it In this dangerous transitional time where ignorance confusion and cruelty abound its theme of the need for us to recover and comprehend the Feminine is of absolute and urgent relevance Few people are able to define and evoke the Feminine in the way that Llewellyn Vaughan Lee
