The Warrior Princess Submissive Michael Makai, 2014-10-03 Ever get the feeling when you read about all the classic categories of submissive that there must be one missing You know which one we're talking about The missing submissive is the one that is the wicked smart strong willed uber competent ultra competitive synergistic switchy crusader She's no one's doormat never a victim She is a kick ass submissive for the 21st century Think Xena the Warrior Princess kneeling at the feet of Hercules This definitely isn't a woman in a precarious predicament waiting helplessly for her White Knight to arrive and slay a dragon for her This was a woman who as she is kicking the dragon's ass smiles at the White Knight standing on the sidelines and says Hey buddy Feel free to jump right in and lend your sword to this fight Otherwise stay the hell out of my way The Warrior Princess doesn't need or want a rescuer The Warrior Princess needs an ally that she can rely upon in the chaos of battle She seeks a warrior equal to the tasks that she has already chosen for herself and is demonstrably capable of accomplishing with or without his help She is willing and able to fight the good fight alone but welcomes the notion of having a worthy partner fighting by her side And yet when the day's fighting is done she is perfectly at ease with considering herself entirely His heart might mind

body and soul Why is she important She is important because she just may be the hope and salvation of this lifestyle There will come a day in the not too distant future when the Warrior Princess Submissive will be forced to become a combatant in a highly politicized war on the BDSM lifestyle It will be a propaganda war that characterizes all Dominants as abusers and all submissives as victims of abusive and exploitative relationships When she comes out of the shadows and chooses to fight for this lifestyle instead of against it as many of her contemporaries will expect her to do her strong moral compass will reassure those on the sidelines that she is doing what is right and just Michael Makai is the author of the Amazon best seller *Domination Submission The BDSM Relationship Handbook* *The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious* Dennis DiClaudio, 2019-10-01 In tribute to the many splendors of human sexuality The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious profiles over 40 of the wildest and woolliest sexual proclivities you'll ever find even on the internet The human race is a species of inventors In our few millennia of existence we've created fire the wheel the printing press vaccines and the internet But never is our creativity more evident than when it comes time to reproduce For nature lovers there's Dendrophilia you know tree hugging For car people there's the Automotive Fetish And for those people who love stuffed animals you'll just have to look inside Each entry in this one of a kind encyclopedia explores the psychological underpinnings important logistics and typical fantasies associated with the deviance in question For the aspiring deviant there's even a list of useful accoutrements Hysterical and astonishingly thorough The Deviant's Pocket Guide is the only reference book you'll ever need
