St. Simons Memoir Eugenia Price, 2021-04-27. Her joyous remembrance of her first decade on an enchanted island. And of those cherished friends who inspired her best-selling trilogy *Lighthouse*, *New Moon*, *Rising and Beloved*. Invader. After only a few golden hours on Georgia's St. Simons Island, Eugenia Price longed to make it her home. Even though she loved her old town house in Chicago and her busy writing and lecturing schedule, the shadow-streaked light-filled place had cast its spell and would not let her go. The reader too will feel the island's magic as Genie describes her odyssey with her friend Joyce Blackburn from the urban North to Southern small-town community life and peace. With deep affection and humor, she shares her many friendships with the first six of the elderly folk who gave her their love, their stories, and their memories so that she could write her novels of St. Simons with her beloved editor Tay Hohoff, who encouraged and goaded her, and with all the other people who helped with her writing and with the building of her island home in the midst of the dear, dark woods. Although she had been uncertain at first of her welcome to St. Simons, she later experienced the rare privilege of having the island name a day in her honor. These intimate pages are also filled with Genie's quiet faith in God and her eternal gratitude for His grace in sending her to St. Simons. She calls her book a memoir, but it is more than that. It is a thanksgiving celebration of life and of its surprising goodness even in the midst of sorrow and loss. So that she can exclaim to Joyce: How could life be better than it is right now.

Lighthouse Eugenia Price, 2012-05-29. First novel in the St. Simons Trilogy. A compelling vibrant saga of conflict, love, and a young man's search to fulfill his dreams. In this enthralling first novel of the St. Simons Trilogy, New York Times bestselling author Eugenia Price shares the compelling story of James Gould, a young man with a passionate dream. Raised in post-Revolution Granville, Massachusetts, Gould could only imagine the beauty and warmth of lands to the south. It was there that he longed to build bridges and lighthouses from his very own design and plans. The gripping story unfolds as Gould follows his dream to the raw settlement of Bangor on the Penobscot River to St. Simons Island, off the coast of Georgia, to lawless Spanish East Florida, and back at last and finally to St. Simons. Along the way, he encounters hardship, peril, failure, and success, but it is the unwavering love of Janie Harris, an especially beautiful and strong-willed young woman, that fulfills his deep need for someone who can share the dream and the life he has chosen.
