Assault of the Killer B's Jason Paul Collum,2015-01-27 The women who starred in low budget cult movies created many memorable experiences for those fans of late night flicks such as Saturday Night Frights Movie Macabre and Up All Night Brinke Stevens who played Linda in The Slumber Party Massacre recalls Suddenly I was riding in limos flying to foreign countries for film festivals appearing on dozens of popular talk and entertainment TV shows and truly feeling like a glamorous movie star This collection of revealing interviews provides insights into the lives of 20 cult film actresses They discuss the pros and cons of making these movies and the directions their careers have taken since Among the films they starred in are Night of the Living Dead The Slumber Party Massacre Friday the 13th A Nightmare on Elm Street Halloween Sleepaway Camp and Elvira s Haunted Hills

Maximum Performance Nick Forster,2005-01-01 This is a big book in more ways than one a detailed and illuminating exploration of leadership qualities attributes skills and competencies the mixture of theory reflective questions stories tools and practical exercises demand a level of thoughtful engagement and self reflection rarely required by books on leadership the Australian content is refreshing as is the lack of evangelistic promises of immediate transformation this book is firmly grounded in supporting the learning and skill development needed for maximum performance

Boss magazine August p 55 The Australian Financial Review AFR Boss If we were giving a graduate level class in leadership and people management skills I m a UCLA Business and Management Program instructor I would choose this book as the text If a client asked for a great book to enhance his her leadership skills we consult in organization compensation and performance management this would be one of first books I would suggest It s that good The book offers a comprehensive guide for developing leadership and people management skills It s a powerful broad spectrum leadership toolkit with a wealth of information about skills and practices and hundreds of suggestions and opinions from business and

political leaders consultants and academics This book is an outstanding resource for leaders and aspiring leaders It is filled with an abundance of insights the distinction it makes between a leader and a manager is one of the best if not the best we've read Just a few of the subjects covered are the leadership as servant philosophy leaders as coaches and mentors communication motivation leading and managing teams women as leaders managing power politics and conflict leading organizational and cultural change creating an innovative organization leadership and people management in high tech networked and virtual organizations Throughout the book are bullet point lists exercises and to the point conclusions It is clearly written and superbly organized An excellent bibliography and subject index top off this outstanding work We highly recommend this book Yvette Borcia and Gerry Stern Stern's Management Review Maximum Performance is a comprehensive business tome Although it is designed for students busy executives who use the chapter summaries or chapter sections to focus on topics that interest them will find the book useful Organizations with large collections on management or leadership will want to buy it Business researchers with limited library space or who are looking for a good summary of current management topics may also find the book of value The strength of Maximum Performance is its breadth Forster touches on everything from whether leaders are born or made to Machiavellian strategies for dealing with toxic work environments Anyone interested in ideas on leadership will likely find several sections of interest Those sections that are particularly strong include the discussions on the different roles and organizational context of leadership key issues in motivating employees the team development process and best practices in leading organizational change Scott R Jenkins Business Information Alert Nick Forster's large text is for MBA students He writes in a clean clear style and frankly admits that leadership and people management skills cannot adequately be learned from books He knows however that good books can help and also that clichés of management can be inspirational and will be used widely though they call for close analysis of substance or context He is in this a modern day Samuel Smiles equipped with a variety of diagnostic tools The Australian In my experience a major shortcoming of most how to books on leadership and management is that they purport to offer Silver Bullets magical solutions that once revealed will enrich and transform the reader and his or her organisation Regrettably

The Etude, 1920 A monthly journal for the musician the music student and all music lovers **Etude Music Magazine** Theodore Presser, 1920 Includes music *Promotional Screen Industries* Paul Grainge, Catherine Johnson, 2015-03-27 From the trailers and promos that surround film and television to the ads and brand videos that are sought out and shared promotional media have become a central part of contemporary screen life *Promotional Screen Industries* is the first book to explore the sector responsible for this thriving area of media production In a wide ranging analysis Paul Grainge and Catherine Johnson explore the intermediaries advertising agencies television promotion specialists movie trailer houses digital design companies that compete and collaborate in the fluid fast moving world of promotional screen work Through interview based fieldwork with companies and practitioners based in the UK US and China *Promotional Screen Industries*

encourages us to see promotion as a professional and creative discipline with its own opportunities and challenges Outlining how shifts in the digital media environment have unsettled the boundaries of promotion and content the authors provide new insight into the sector work strategies and imaginaries of contemporary screen promotion With case studies on mobile communication television film and live events this timely book offers a compelling examination of the industrial configurations and media forms such as ads apps promos trailers digital shorts branded entertainment and experiential media that define promotional screen culture at the beginning of the twenty first century The Rotarian ,1942-09 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **Such Hardworking People** Franca Iacovetta,1992 Such Hardworking People provides a perceptive description of the working class experiences of immigrants who came to Toronto from southern Italy between 1946 and 1965 Franca Iacovetta focuses on the relations between newly arrived workers and their families showing that the Italians who came to Toronto during this period were predominantly young healthy women and men eager to obtain jobs and prepared to make sacrifices in order to secure a more comfortable life for themselves and their children *Billboard* ,2003-02-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
