Sadhguru, 2011-01-01 The persistent questions of seekers fill this book It's all here the pain the confusion the raging gut level thirst all that it means to be human and alive and wanting And through it all are the clear strong unwavering tones of a master who reminds us that the only thing that lies between the human and the divine the finite and the boundless the seeking and the finding is choice What does that choice entail Not the acquisition of any path breaking wisdom but a

determined refusal to strengthen one's ignorance to reinforce one's deceptions to gold plate one's limitations The danger Sadhguru tells us does not lie in being in the dark that can be dispelled for anyone who genuinely desires it but in settling for an easy brilliance a spurious radiance The danger does not lie in seeking urgently but in arriving cheaply Don't polish your ignorance he warns aphoristically unforgettably recurrently in the course of this book It may shine     *Revista Del Río de La Plata* ,1927 A journal dealing with financial economic and shipping affairs     *Christian Work* ,1896     **Modern Continental Plays** Samuel Marion Tucker,1929 For contents see Author Catalog     *The Saturday Evening Post* ,1922 SCC Library has 1974-89 plus scattered issues     The Piece of a Man David L.
