Doris Salcedo Carlos Basualdo, Doris Salcedo, Nancy Princenthal, Andreas Huyssen, 2000-01-11 A contemplation of the renowned Colombian artist's uncanny sculptural works **Doris Salcedo** Mary Schneider Enriquez, Doris Salcedo, Narayan Khandekar, 2016-01-01 In Context Violence and Contemporary Art in Colombia Salcedo's Influences Artists Works Practices The Six Visual Strategies Organic and Ephemeral Materiality in Salcedo's Most Recent Works Inherent Vice and the Ship of Theseus Narayan Khandekar Artist Biography and Exhibition History *Doris Salcedo* Doris Salcedo, Rod Mengham, Carlos Basualdo, 2004 **Doris Salcedo** Doris Salcedo, 1999 **Contemporary** Art Gallery of New South Wales, Anthony Bond, Wayne Tunncliffe, 2006 This book one of a series on the gallery's collections has two broad objectives firstly to introduce the contemporary collection and the ideas that have provided direction for its evolution and secondly to address and discuss with brevity and clarity the individual works of art *Artists from Latin American Cultures* Kristin G. Congdon, Kara Kelley Hallmark, 2002-10-30 Latin Americans have long been relegated to the cultural background obscured by the dominant European culture This biographical dictionary profiles 75 artists from the United States and 13 nations of Central and South America and the Caribbean including painters sculptors photographers muralists printmakers installation artists and performance artists Some of their works recall pre Columbian times others confront the cultural imperialism of the U S over Latin America and many explore how the dominant elements of culture can affect identities of class gender and sexuality Profiled artists range from the renowned to the little known Frida Kahlo Tina Modotti Diego Rivera Myrna Baez Raquel Forner Patrocino Barela and many more Color photographs are provided for many of the works Each entry includes information about the artist's childhood schooling creative growth and artistic styles and themes Exemplary artworks and influences are described along with a look at popular and critical responses Supplemental features include artist cross references a glossary of essential terms from the art world and a number of vivid photos portraying the artists in their creative environments **Theories and Documents of Contemporary Art** Kristine Stiles, Peter Selz, 2012-09-25 An essential text in the field of contemporary art history it has now been updated to represent 30 countries and over 100 new artists The internationalism evident in this revised edition reflects the growing interest in contemporary art throughout the world from the U S and Europe to the Middle East Asia Africa Latin America and Australia *The Unmaking of Home in Contemporary Art* Claudette Lauzon, 2017-01-01 Building on the scholarship of key art historians and theorists such as Judith Butler and Mieke Bal Claudette Lauzon embarks upon a transnational analysis of contemporary artists who challenge the assumption that home is a stable site of belonging *Skin Crafts* Julia Skelly, 2022-02-10 Skin Crafts discusses multiple artists from global contexts who employ craft materials in works that address historical and contemporary violence These artists are deliberately embracing the fragility of textiles and ceramics to evoke the vulnerability of human skin and in so doing are demanding visceral responses from viewers Drawing on a range of theories including affect theory material

feminism skin studies phenomenology and global art history the book illuminates the various ways in which artists are harnessing the affective power of craft materials to address and cope with violence Artists from Mexico Africa China the Netherlands and Indigenous artists based in the unceded territory known as Canada are examined in relation to one another to illuminate the connections and differences across their bodies of work Skin Crafts interrogates ongoing material violence towards women and marginalized others and demonstrates the power of contemporary art to force viewers and scholars into facing their ethical responsibilities as human beings

Contemporary Art and Memory Joan Gibbons, 2007-12-19 Whether exploring the intimate recollections which make up the artist's own life history or questioning the way the gallery and museum present public memory contemporary art it would seem is haunted by the past Contemporary Art and Memory is the first accessible survey book to explore the subject of memory as it appears in its many guises in contemporary art Looking at both personal and public memory Gibbons explores art as autobiography the memory as trace the role of the archive revisionist memory and postmemory as well as the absence of memory in oblivion Grounding her discussion in historical precedents Gibbons explores the work of a wide range of international artists including Yinka Shonibare MBE Doris Salcedo Keith Piper Jeremy Deller Judy Chicago Louise Bourgeois Tracey Emin Felix Gonzalez Torres Christian Boltanski Janet Cardiff Bill Fontana Pierre Huyghe Susan Hiller Japanese photographer Miyako Ishiuchi and new media artist George Legrady Contemporary Art and Memory will be indispensable to all those concerned with the ways in which artists represent and remember the past

Readings in Latin American Modern Art Patrick Frank, 2008-10-01 This important and welcome volume is the first English language anthology of writings on Latin American modern art of the twentieth century The book includes some fifty seminal essays and documents including statements interviews and manifestoes by artists that encompass the broad diversity of this emerging field Many of these materials are difficult to access and some are translated here for the first time Together the selections explore the breadth and depth of Latin American modern art as well as its distinctive evolution apart from American and European art history Included in this collection are fascinating ideas and insights on the impact of the avant garde in the 1920s the Mexican mural movement Surrealism and other fantasy based styles modern architecture geometric and optical art concrete and neo concrete art and political conceptualism For students and scholars of Latin American art the volume offers an invaluable collection of primary and secondary sources

Contemporary Art and the Cosmopolitan Imagination Marsha Meskimmon, 2010-09-13 Contemporary Art and the Cosmopolitan Imagination offers a challenging new direction in the current literature on cosmopolitanism globalisation and art

Rhetoric, Social Value and the Arts Charlotte Bonham-Carter, Nicola Mann, 2017-07-18 The book reveals how the social value of art may have one meaning for a policy maker another for a museum and still yet another for an artist and it is therefore in the interaction between these agents that we learn the most about the importance of rhetoric and interpretation As a trajectory in art history socially engaged art has a long and established history However in recent years or since the social turn that occurred in the

1990s the rhetoric surrounding the social value of art has been assimilated by cultural policy makers and museums Interdisciplinary in its approach and bringing together contributions from artists curators and academics the volume explores rhetoric social value and the arts within different social political and cultural contexts **Semiotic Ideologies** Massimo Leone,2024-10-02 This book offers a comprehensive exploration of language and semiotic ideologies focusing on how societies construct meaning through verbal and non verbal communication It distinguishes itself by adopting a novel approach that bridges linguistics semiotics and anthropology The research dives into uncharted territory shedding light on the intricate connections between language culture and cognition offering a perspective less common in traditional linguistics or semiotics Throughout the book the reader will encounter rare illustrative examples showcasing the rich tapestry of human communication Additionally previously undisclosed historical data adds depth to the analysis providing fresh insights This work is designed for scholars seeking a deeper understanding of meaning making processes and their cultural variations It also serves as a resource for those interested in the complex interplay of language and semiotics in everyday life **Rethinking the Baroque** Helen Hills,2017-07-05 Rethinking the Baroque explores a tension In recent years the idea of baroque or the baroque has been seized upon by scholars from a range of disciplines and the term baroque has consequently been much in evidence in writings on contemporary culture especially architecture and entertainment Most of the scholars concerned have little knowledge of the art literature and history of the period usually associated with the baroque A gulf has arisen On the one hand there are scholars who are deeply immersed in historical period who shy away from abstraction and who have remained often oblivious to the convulsions surrounding the term baroque on the other there are theorists and scholars of contemporary theory who have largely ignored baroque art and architecture This book explores what happens when these worlds mesh In this book scholars from a range of disciplines retrieve the term baroque from the margins of art history where it has been sidelined as anachronistic to reconsider the usefulness of the term baroque while avoiding simply rehearsing familiar policing of periodization stylistic boundaries categories or essence Baroque emerges as a vital and productive way to rethink problems in art history visual culture and architectural theory Rather than attempting to provide a survey of baroque as a chronological or geographical conception the essays here attempt critical re engagement with the term baroque its promise its limits and its overlooked potential in relation to the visual arts Thus the book is posited on the idea that tension is not only inevitable but even desirable since it not only encapsulates intellectual divergence which is always as useful as much as it is feared but helps to push scholars and therefore readers outside their usual runnels

Religion and Contemporary Art Ronald R. Bernier,Rachel Hostetter Smith,2023-05-11 Religion and Contemporary Art sets the theoretical frameworks and interpretive strategies for exploring the re emergence of religion in the making exhibiting and discussion of contemporary art Featuring essays from both established and emerging scholars critics and artists the book reflects on what might be termed an accord between contemporary art and religion It explores the common

strategies contemporary artists employ in the interface between religion and contemporary art practice It also includes case studies to provide more in depth treatments of specific artists grappling with themes such as ritual abstraction mythology the body popular culture science liturgy and social justice among other themes It is a must read resource for working artists critics and scholars in this field and an invitation to new voices curious about its promises and possibilities *A Companion to Modern and Contemporary Latin American and Latina/o Art* Alejandro Anreus, Robin Adèle Greeley, Megan A.

Sullivan, 2021-11-09 In depth scholarship on the central artists movements and themes of Latin American art from the Mexican revolution to the present *A Companion to Modern and Contemporary Latin American and Latinx Art* consists of over 30 never before published essays on the crucial historical and theoretical issues that have framed our understanding of art in Latin America This book has a uniquely inclusive focus that includes both Spanish speaking Caribbean and contemporary Latinx art in the United States Influential critics of the 20th century are also covered with an emphasis on their effect on the development of artistic movements By providing in depth explorations of central artists and issues alongside cross references to illustrations in major textbooks this volume provides an excellent complement to wider surveys of Latin American and Latinx art Readers will engage with the latest scholarship on each of five distinct historical periods plus broader theoretical and historical trends that continue to influence how we understand Latinx Indigenous and Latin American art today The book's areas of focus include The development of avant garde art in the urban centers of Latin America from 1910 1945 The rise of abstraction during the Cold War and the internationalization of Latin American art from 1945 1959 The influence of the political upheavals of the 1960s on art and art theory in Latin America The rise of conceptual art as a response to dictatorship and social violence in the 1970s and 1980s The contemporary era of neoliberalism and globalization in Latin American and Latino Art 1990 2010 With its comprehensive approach and informative structure *A Companion to Modern and Contemporary Latin American and Latinx Art* is an excellent resource for advanced students in Latin American culture and art It is also a valuable reference for aspiring scholars in the field Ways of Knowing Mark Harris, 2007 Questions about

how humans come to know themselves and their worlds have always been at the heart of anthropology and are necessarily part of a broader intellectual history This book brings together anthropologists to discuss how they come to know what they know about the societies they study **Beckett and Nothing** Daniela Caselli, 2020-03-09 This electronic version has been made available under a Creative Commons BY NC ND open access license *Beckett and nothing* invites its readership to understand the complex ways in which the Beckett canon both suggests and resists turning nothing into something by looking at specific sometimes almost invisible ways in which little nothings pervade the Beckett canon The volume has two main functions on the one hand it looks at nothing not only as a content but also a set of rhetorical strategies to reconsider afresh classic Beckett problems such as Irishness silence value marginality politics and the relationships between modernism and postmodernism and absence and presence On the other it focuses on nothing in order to assess how the Beckett oeuvre

can help us rethink contemporary preoccupations with materialism neurology sculpture music and television The volume is a scholarly intervention in the fields of Beckett studies which offers its chapters as case studies to use in the classroom It will prove of interest to advanced students and scholars in English French Comparative Literature Drama Visual Studies Philosophy Music Cinema and TV studies
