Brandon Jensen was a legend. Known for his wealth and ruthlessness, he ran his company with the single-minded focus of a man possessed. Brandon had been working non-stop for nearly a decade. Even after he seemingly disappeared off the face of the earth, no one saw him anymore. Not his employees or his family. But the missing persons investigation had been closed, and his business continued to run like he never left. The disappearance of my stepbrother was a mystery that plagued my thoughts almost every night until a letter arrived in my mailbox. A plea for my help, signed with his initials. Even though we parted on bad terms after our last falling out, I couldn't resist my chance to get answers. The reason behind his disappearance became clear the moment my eyes landed on his face for the first time in five years. *Wrecked* is a standalone full-length novel complete with a happy ending. Perfect for any reader who might need a little break from the typical alpha male. *Stepbrother's Secret Baby (Book 1)* Wanda Edmond, 2015-08-20

Billionaire Clive Burke is dead set against his father's marriage to any woman worming their way into the family fortune. Headstrong Olivia Tyler is hell-bent on protecting her mother from Clive's lecherous father. Sparks start to fly as they clash wills in a hostile meeting to iron out their parents' prenuptial agreement. But they reluctantly form an unlikely partnership to ruin their parents' marriage and avoid becoming stepbrother and stepsister at all cost. But as the lies and schemes grew ever more complicated, the base attraction between Clive and Olivia remained simple and straightforward: a raw and primal need to satisfy their pent-up desires in each other's arms. Their explosive union leads to a stalemate. Clive runs, and Olivia is left to deal with the breakdown of their parents' marriage and her pregnancy. But the tables are turned when their parents find out their secret: the victims of their schemes end up hatching a plan that would turn their world upside down. Can there be a happy ending when you've fallen in love with your stepbrother? **Snake** Emilia Beaumont, 2015-07-08

Cheating f*cking lying Snake. I thought he was different than all the rest. My stepbrother Devan was everything I longed for in a man: loyal, protective, and strong. After being burned so many times by cheating scumbags, you can understand why. He's the perfect guy, the standard I hold other men up to. If only I could have a carbon copy of him: tattoos and all. But then he kissed me. And no matter how much I want him to be mine, I now see him for what he really is: Another snake that can't keep it in his pants. He's married for f*cks sake. Their marriage is in trouble, but that's no excuse, and it just happens to be one of the reasons why I'm living with the couple I've made a deal to be their surrogate. How did my life become so complicated all of a sudden? Because now, after just one amazing kiss, I can't stop thinking about my stepbrother and the baby I promised to give him. Author's note: Book contains a HEA sexual content.
