Ovation Users' Group

The Ovation Users' Group formed in 1997, provides a forum for ongoing and open communication between Emerson Process Management Process & Instrument Solutions, Inc. (Emerson) and the end users of its distributed control systems. Membership has grown significantly through the group's reach – from less than 20 members in 1997 to more than 6,000 members worldwide today.

The Ovation Users' Group is managed, guided, and run exclusively by our custom users, with Emerson providing technical personnel and demonstration equipment support as necessary.

Users' Group Features

- Managed exclusively by users with support from Emerson
- Direct input into Emerson's strategic product development plans
- Face-to-face sessions for service management and technical experts
- Variety of programs and tools (many focused on important user trends)
