What allows us to tap into our relationships' soul-transforming power? How can we be sure our relationship choices are Spirit-guided rather than ego-driven? *Oh My Beloved* takes as its essential theme that the soul-level love each of us longs for is first discovered within before it is enacted without. Seven sacred qualities of the divinely guided relationship are identified: preparedness, awareness, inner directedness, emptiness, celebration, service, and spiritual midwifery, which can be used to deepen our experience of love either with the loved ones now in our lives or in new relationships to come. True fulfilling and enduring love is possible for us all.
