**Emotional Healing with Homeopathy** Peter Chappell, 2003-10-09 When an individual has not resolved a negative experience the stored trauma may lead to such physical problems as high blood pressure asthma headaches gastritis addictive behavior and learning disabilities This book adds form and substance to homeopathic healing aligning older theories in the Organon with modern psychological theory about how disease takes hold in our body *The Original Buddhist Psychology* Beth Jacobs, Ph.D., 2017-06-27 Drawing on decades of experience a psychotherapist and Zen practitioner makes the Abhidharma the original psychological system of Buddhism accessible to a general audience for the first time The Abhidharma one of the three major text collections of the original Buddhist canon explores the critical juncture of Buddhist thought and the therapeutic aspects of the religion and meditation It frames the psychological system of Buddhism explaining the workings of reality and the nature of the human mind Composed of detailed matrixes and lists that outline the interaction of consciousness and reality The Abhidharma explores the essence of perception and experience and the reasons and methods behind mindfulness and meditation Because of its complexity the Abhidharma has traditionally been reserved only for academic or monastic study now for the first time clinical psychologist Beth Jacobs makes this dynamic important text and its teachings available to general readers using practical explanation personal stories and vivid examples to gently untangle the technical aspects of the Abhidharma Jacobs work illuminates this classic of Buddhist thought highlighting the ways it can broaden and deepen our experience of the human psyche and offering profound insights into spiritual practice *Herbal Allies* Robert Rogers, 2017-06-27 Twenty plants including familiar trees like the aspen birch spruce and poplar as well as lesser known plants like Labrador tea cow parsnip and buffalo berry form the soul of herbalist Robert Rogers s medicine kit *Herbal Allies* chronicles the journey that led Rogers to become an herbalist and shares his deep knowledge of the plants that shaped his practice The author weaves personal experience observations knowledge from indigenous healers and many years of expertise from his practice as a professional herbalist and clinical professor to present a unique and fascinating narrative that not only limns one man s vital connection to plants but also provides invaluable information on effectively using plant medicine for the prevention and treatment of a variety of health conditions [The Spiritual Dimension of Alternative Medicine](#) Ernest M. Valea, 2020-02-20 We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of
