Komives, John P. Dugan, Julie E. Owen, Craig Slack, Wendy Wagner, National Clearinghouse of Leadership Programs (NCLP), 2011-03-08 Praise for the Second Edition of The Handbook for Student Leadership Development This is a must have book for leadership educators and all student affairs professionals who want to develop impactful leadership programs and the leadership capacity of students Buy it Read it Use it to develop the needed leadership for our collective future CYNTHIA CHERREY vice president for campus life Princeton University and president the International Leadership Association As we continue to encourage leadership behavior in young people it is very easy to get lost in a forest of new theories programs and definitions This handbook serves as the compass to guide us and it grounds the field of student leadership development in principles and best practices Our challenge is to put this work into action PAUL PYRZ president LeaderShape Comprehensive in design and scope the second edition of The Handbook is a theory and practice resource manual for every leadership educator inside and outside of the classroom LAURA OSTEN director the Center for Leadership and Civic Education Florida State University Every college administrator responsible for coordinating student leadership programming should have this book The Handbook for Student Leadership Development takes the

guesswork out of leadership program design content and delivery AINSLEY CARRY vice president for student affairs Auburn University I recommend without hesitation the Handbook for Student Leadership Development to student affairs professionals who desire to enhance the leadership experiences for all their students as well as teachers who are seeking ways to bolster their students classroom experiences Dr WILLIAM SMEDICK director Leadership Programs and Assessment Office of the Dean of Student Life and lecturer Center for Leadership Education Johns Hopkins University

**Emotionally Intelligent Leadership** Marcy Levy Shankman, Scott J. Allen, 2009-09-29 Emotionally Intelligent Leadership is a groundbreaking book that combines the concepts of emotional intelligence and leadership in one model emotionally intelligent leadership EIL This important resource offers students a practical guide for developing their EIL capacities and emphasizes that leadership is a learnable skill that is based on developing healthy and effective relationships Step by step the authors outline the EIL model consciousness of context consciousness of self and consciousness of others and explore the twenty one capacities that define the emotionally intelligent leader

**Self-management and Leadership Development** Mitchell Grant Rothstein, Ronald J. Burke, 2010-01-01 This book is based on a really important timely and relevant idea to bring together sources on the self management of leadership development The book is important because almost all leadership development relies to a great degree on the leader s capability to manage his or her personal development It is timely because there is currently no single volume that covers the topic and it is relevant because leadership is such an extremely important issue for the success of our organizations countries and society in general The editors have done a thoroughly professional job in identifying top quality authors and combining their contributions into a very worthwhile volume Ivan Robertson University of Leeds UK Self Management and Leadership Development offers a unique perspective on how leaders and aspiring leaders can and should take personal responsibility for their own development This distinguished book is differentiated from other books on this topic with its view on the instrumental role played by individuals in managing their own development rather than depending on others such as their organization to guide them Expert scholars in the area of leadership emphasize the importance of self awareness as the critical starting point in the process Explicit recommendations are provided on how individuals can manage their own self assessment as a starting point to their development The contributors present insights and practical recommendations on how individuals can actively self manage through a number of typical leadership challenges Business school faculty teaching electives in leadership and managers who engage in leadership development for themselves or others should not be without this important resource Consulting firms and training institutions offering leadership development programs and participants in MBA and executive development programs will also find it invaluable
