Encountering The Wisdom Jesus Quickening The Kingdom Of Heaven Within:

The Enoch Factor Stephen B. McSwain, 2010 Never before has this country indeed this world faced such a need for a book that unites people a book that reassures those disillusioned by faith that they can navigate their way back to God and even experience a profound spiritual awakening For author and entrepreneur Steve McSwain such an epiphany transformed his life In The Enoch Factor readers discover a kindred spirit in an author who understands how religion can subvert a spiritual life His story will help them navigate their own spiritual journeys More than a personal odyssey The Enoch Factor is also a testimonial to the innate dangers of fundamentalist thinking It is a persuasive argument for a more enlightened religious dialogue in America one that affirms the goals of all religions guiding followers in self awareness finding serenity and happiness and discovering what the author describes as the sacred art of knowing God Unapologetic and moving McSwain s take on The Almighty is sure to ignite spirited debate Full of wisdom humor and truth The Enoch Factor bridges the gap between secular and Christian book titles on spirituality setting a new standard in both

Answering the Contemplative Call Carl McColman, 2021-11-16 The mystical path is not some sort of static experience for the select few says Carl McColman rather it is a living tradition a rich and many layered dimension of spirituality that is in large measure a quest to find the mysteries at the heart of the universe paradoxically nestled within the heart of your own soul McColman first introduced readers to Christianity s lost mystical roots in his popular book The Big Book of Christian Mysticism Now McColman is back with Answering the Contemplative Call to show readers how to apply the riches of the mystical tradition to daily living McColman quotes from the great mystics of the Christian tradition who have also traveled this path including Teresa of Avila Thomas Merton Evelyn Underhill and more In Answering the Contemplative Call McColman offers a practice that will help readers come to a place meaning and purpose in their lives

The High Definition Family Sayer Strauch, 2009-08 The High Definition Family isn t about being an ideal family a perfect family or even a good family but about your family as you are now on a journey with God reaching your highest potential God wants you and your family to become all that it is created on Earth to do and be The character of your family members will be continually shaped more like Jesus you will contribute to others becoming more like Jesus and donate love to a world that is hungry and thirsty for this kind of love Your family s story will become part of God s story for the world If you don t know what makes your family unique then you have no defined basis for making decisions and you become defined by the history of your own messy family and the messy world you live in And that can be well messy Because you and your family are unique your journey with God is unique Being on a high definition journey together you ll have the tools you need to tune in your family s own unique vision and live it out You ll have the tools you need to enjoy being together as a family and to master household chores in such a way as to encourage leadership and teamwork as a family You ll achieve greater freedom and clarity and draw closer to each other God and those whom you encounter on your journey For those of you with children you ll find an easier and clearer parenting task

You will cultivate leadership in all family members create an energized family culture and realize family dreams Please hurry up and get the book done D D Sayer Strauch serves as a pastor writer and speaker and lives in Vancouver Washington with his wife and three children **Books Out Loud** ,2007 **Wisdom from God-Meditations from Carolyn** Carolyn Reynolds,2007-02 **The Flaming Sword** ,1894 *Archibald Simpson's Unpeaceable Kingdom* Peter N. Moore,2018-04-05

This book draws on the life of Presbyterian minister and diarist Archibald Simpson 1734 1795 to examine the history of evangelical Protestantism in South Carolina and the British Atlantic during the last half of the eighteenth century Although he grew up in the evangelical heartland of Scotland in the wake of the great mid century revivals Simpson spurned revivalism and devoted himself instead to the grinding work of the parish ministry At age nineteen he immigrated to South Carolina where he spent the next eighteen years serving slaveholding Reformed congregations in the lowcountry plantation district Here powerful planters held sway over slaves families churches and communities and Simpson was constantly embattled as he sought to impose an evangelical order on his parishes In refusing to put the gospel in the pockets of planters who scorned it and who were accustomed to controlling their parish churches he earned their enmity As a result every relationship was freighted with deceit and danger and every practice sermons funerals baptisms pastoral visits death narratives sickness courtship friendship domestic concerns was contested and politicized In this context the cause of the gospel made little headway in Simpson s corner of the world Despite the great midcentury revivals the steady stream of religious dissenters who poured into the province and all the noise they made about slave conversions Simpson s story suggests that there was no evangelical movement in colonial South Carolina just a tired and frustrating evangelical slog
