Espionage Manual:

WW2 Spy School Ian Hall, 2015-12-13 This is not a novel This is not a historical account This is in fact the training manual of the S O E in World War 2 This document was the official training manual for every allied spy and counter espionage agent in World War 2 Written by the S O E M I 6 it was soon picked up and used by the American OSS the originator of the CIA In great detail it describes such subjects as Explosives Fieldcraft Cyphers and Propoganda Care has been taken to deliver the manual in its original style and format The document is dated at 1943 and as far as we know is published in its entirety At over 400 pages it is both exhaustive and painstakingly detailed For instance 5 Searching a Prisoner if you are armed Kill him first If that is inconvenient make him lie face to the ground hands out in front of him Knock him out with rifle butt side or butt of the pistol or with your boot Then search him Nice huh A great read superb information and a unique insight into a dark age of history Introduction by Ian Hall

The Cold War Spy Pocket Manual Philip Parker, 2015-10-19 Some twenty five years after its conclusion yet with its echoes resonating once more in contemporary East West relations the rigors and detail of many aspects of the Cold War are becoming increasingly of interest Furthermore at the very same time many of the records of the period are beginning to become accessible for the first time At the forefront of this unique conflict that divided the world into two opposing camps for over four decades were the security services and the agents of these secretive organizations The Cold War Pocket Manual presents a meticulously compiled selection of recently unclassified documents field manuals briefing directives and intelligence primers that uncover the training and techniques required to function as a spy in the darkest periods of modern history Material has been researched from the CIA MI5 and MI6 the KGB the STASI as well as from the Middle East security services and on into China and the East As insightful as any drama these documents detail amongst many other things the directives that informed nuclear espionage assassinations interrogations and the turning of agents and impacted upon the Suez Crisis the Hungarian Uprising the Cambridge Five and the most tellingly the Cuban Missile Crisis in 1962 Full introduction and commentary provided by leading historian and former diplomat Philip Parker Complete with a catalogue of and often instructions for genuine espionage devices including lock decoders bugging equipment a 4 5mm single shot lipstick gun microfilm concealing coins and cameras mounted in clothing or pens and shoe concealed tracking devices Presents for the first time the insightful documents many of which inspired Cold War novelists including John Le Carr Len Deighton and Ian Fleming and many of which they would never have seen
