Solving Modern Crime in Financial Markets Marius-Cristian Frunza, 2015-12-09. This comprehensive source of information about financial fraud delivers a mature approach to fraud detection and prevention. It brings together all important aspects of analytics used in investigating modern crime in financial markets and uses R for its statistical examples. It focuses on crime in financial markets as opposed to the financial industry and it highlights technical aspects of crime detection and prevention as opposed to their qualitative aspects. For those with strong analytic skills, this book unleashes the usefulness of powerful predictive and prescriptive analytics in predicting and preventing modern crime in financial markets. Interviews and case studies provide context and depth to examples. Case studies use R, the powerful statistical freeware tool. Useful in classroom and professional contexts.

Investment Performance Measurement Bruce J. Feibel, 2003-02-04. Many investment books include a chapter or two on investment performance measurement or focus on a single aspect, but only one book addresses the breadth of the field. Investment Performance Measurement is a comprehensive guide that covers the subjects of performance and risk calculation, attribution, presentation, and interpretation. This information-packed book covers a wide range of related topics, including calculation of the returns earned by portfolios, measurement of the risks taken to earn these returns, measurement of the risk and return efficiency of the portfolio, and other indicators of manager skill and much more. By reviewing both the concepts of performance measurement and examples of how they are used, readers will gain the insight necessary to understand and evaluate the management of investment funds. Investment Performance Measurement makes extensive use of fully worked examples that supplement formulas and is a perfect companion to professional courses and seminars for analysts. Bruce J. Feibel, CFA, is Product Manager at Eagle Investment Systems, an investment management software provider located in Newton, Massachusetts. He is responsible for overseeing the

development of Eagle's investment performance measurement attribution and AIMR GIPS compliance software Prior to joining Eagle Mr Feibel was a principal at State Street Global Advisors He earned his BS in accounting from the University of Florida
