

## Essay On Christianity And Its Beliefs

Christianity is currently the world most followed religion in the world. The religion has about 2.3 billion followers worldwide or about 31.2% of the population and teaches the teachings of Jesus Christ. Throughout the world, many people choose to follow Christianity as a way to worship 'God' and in return, they are able to attain salvation and have a figure to look up to and believe in. Throughout time Christianity can prove its adherents and the society they are a part of with a system and a set of laws that they can follow and trust. Christianity can provide its believers with a sense of purpose and help contribute to their lives by giving them support for when they need it most as well as provide them with a set of goals and ideas to believe in.

Christianity at its core helps people when they are in need of assistance and provides the support they would need in order to move on in their life. Christianity is the belief in God, whereas Jesus Christ is a religious leader for Christianity. By being a Christian, a believer is able to have a personal connection with Jesus, Jesus will act like a person who will also ways be with them in every moment. Through the bible's teachings, it tells the believers that being a Christian allows them to have a deep connection with Jesus, regardless of when and where. In Isaiah's teachings it tells God is always with us this can be shown when he speaks of God in the verse 'Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.' This verse from the bible expresses his ideas on how God will always be there to help a person, even in that person's darkest times.

The Bible tells its believers Jesus look after its people, Christianity also teaches believers that through their relationship with Jesus, they can have a personal connection with him.
