Essays In Spanish About Vacations:

The Reinvention of Mexico in Contemporary Spanish Travel Writing Jane Hanley, 2021-09-15 The long history of transatlantic movement in the Spanish speaking world has had a significant impact on present day concepts of Mexico and the implications of representing Mexico and Latin America more generally in Spain Europe and throughout the world In addition to analyzing texts that have received little to no critical attention this book examines the connections between contemporary travel including the local dynamics of encounters and the global circulation of information and the significant influence of the history of exchange between Spain and Mexico in the construction of existing ideas of place To frame the analysis of contemporary travel writing author Jane Hanley examines key moments in the history of Mexican Spanish relations including the origins of narratives regarding Spaniards sense of Mexico s similarity to and difference from Spain This history underpins the discussion of the role of Spanish travelers in their encounters with Mexican peoples and places and their reflection on their own role as communicators of cultural meaning and participants in the tourist economy with its impact both negative and positive on places

Vacation Stories Santiago Ramón y Cajal, 2001 A world famous neurobiologist Santiago Ramn y Cajal won the Nobel Prize for his scientific research in 1906 The previous year he published these stories five ingenious tales that take a microscopic look at the nature allure and danger of scientific curiosity Ramn y Cajal waited almost twenty years to publish these stories because he feared they would compromise his scientific career Featuring the cutting edge science of the mid 1880s microscopy bacteriology and hypnosis they probe the seductive power that proceeds from scientific knowledge and explore how the pursuit of such knowledge alternately redeems and ensnares humanity Here revenge is disguised as research and common fraud as moral purification Critical thought vies with moribund tradition and stifling religion for a hold on the human spirit rigid divisions of class and wealth dissolve before the indiscriminate assault of microbes One man s faith in science gives him the tools to outwit superstition and win the true love and happiness for which he has sacrificed that melds the epiphany of A Christmas Carol with the macabre detail of an Edgar Allan Poe story Now available for the first time in English Ramn y Cajal s stories reveal a great deal about human nature and the collusion of ambition and greed that prey on the hapless and thoughtless whether in the name of science religion or the state Laura Otis whose dual background in literature and science echoes that of the author has crafted a sparkling translation that captures the wit and imagination of the original

Selected Essays and Letters National Assessment of

Educational Progress (Project),1972 **Critical Essays on World Literature, Comparative Literature and the “Other”**

Jüri Talvet,2019-09-18 The book offers coherent theoretical treatment of the conceptions of World Literature and Comparative Literature in parallel with their practical application to the research of different literary phenomena Renaissance and Baroque creativity literary canons philosophy of translation etc especially as viewed from the point of view of the other peripheral minor minority national linguistic cultures Envisaging womankind s historical liberation and a budding comparative world sensibility has been seen as one of the greatest merits of European creative humanists To explain the deep sources of creativity and image authenticity the notions of the aesthetic infra other and philosophical transgeniality have been introduced The proposed aim would be to transcend monologues of ideological cultural centres as well as formalistic and sociological trends in cultural and literary research and teaching The book advocates a plurality of creative dialogues and a mutually enriching symbiotic relationship between centres and peripheries Between Argentines and

Arabs Christina Civantos,2006-06-01 Summary Examines the presence of Arabs and the Arab world in nineteenth and twentieth century Argentine literature by juxtaposing works by Argentines of European descent and those written by Arab immigrants in Argentina Between Argentines and Arabs is a groundbreaking contribution to two growing fields the study of immigrants and minorities in Latin America and the study of the Arab diaspora As a literary and cultural study this book examines the textual dialogue between Argentines of European descent and Arab immigrants to Argentina from the mid 1800s to the mid 1900s Using methods drawn from literary analysis and cultural studies Christina Civantos shows that the Arab presence is twofold the Arab and the Orient are an imagined figure and space within the texts produced by Euro Argentine intellectuals and immigrants from the Arab world are an actual community producing their own texts within the multiethnic Argentine nation This book is both a literary history of Argentine Orientalist literature and Arab Argentine immigrant literature and a critical analysis of how the formation of identities in these two bodies of work is interconnected
