**Seven Steps to Train Your Mind** Gomo Tulku, 2015-03-17 Learn the ropes of cultivating a resilient and warm heart even in the face of great difficulty from one of the most beloved of the last generation of lamas trained in pre-invasion Tibet. The aphorisms of the Seven Point Mind Training present a powerful and counter-intuitive call to Buddhist practice: view reality as dreamlike, contemplate the kindness of your enemies, give up expectations of reward, change yourself but remain as you are. When he fled Tibet, Gomo Tulku carried in his heart this widely studied Tibetan text which he turned to time and again when faced with difficulties in life. Having relied on this practice to transform his own hardships, he shares here an inspired commentary to help us get through ours. Mirroring the simplicity of the original Seven Steps to Train Your Mind, succinctly provides a practical description of how to train the mind and develop the mental qualities of peace, joy, and wisdom that will carry one through any circumstance.

**Wisdom of the Kadam Masters** Thupten Jinpa, 2013-03-26 For many Tibetans the phrase the Kadam masters evokes a spiritual golden age in Tibet an image of a community of simple monks devoted to humble rectitude in the service of others These Tibetan masters are particularly famed for their pithy spiritual sayings poignant utterances that capture essential teachings in digestible bites The sayings reveal an absence of confusion about what makes for a truly happy

life one grounded in ethics love and insight borne of meditation The teachings of the Kadam masters have spiritually nourished the Tibetan people for nearly a millennium The Kadampa tradition began in the eleventh century with the arrival in Tibet of the Indian Bengali teacher Atisa who heralded a large scale revival of Buddhism there with a return to the basics Although these Tibetan teachings emerged nearly a thousand years ago within a specific historical cultural context like many of the world s great spiritual teachings the teachings of the Kadam masters embody wisdom that resonates beyond the boundaries of time culture and language To modern day Tibetan Buddhists this volume will offer in an accessible format some of the most loved teachings of the Tibetan tradition For practitioners of other religious traditions the texts collected in this special Atisa's Stages of the Path to Awakening James B. Apple, 2025-06-10 This book contains a lost Stages of the Path Lamrim work composed by the originator of the genre Atisa one of the greatest Indian Buddhist masters to ever set foot in Tibet Nearly a millennium ago the great Indian Buddhist master Atisa Dipamkarasrij ana ca 982 1054 wrote a guidebook for realizing all the stages to awakening at the repeated request of his closest Tibetan disciple Atisa is famously the author of the Lamp for the Path to Awakening Bodhipathapradipa a short work in verse but this longer prose work has been virtually unknown even in Tibet until now Atisa s Stages of the Path Awakening Bodhipathakrama translated here synthesizes all aspects of Buddhist practice from the very beginning of the path reflecting on the fortunate opportunity of human rebirth up through to attaining omniscient buddhahood by nondual meditation The Indian master s faithful disciple Dromt npa kept these teachings secret and they were only transmitted to select disciples in a closely guarded transmission but the lineage died out centuries ago after Dromt npa s Kadam school was eclipsed by history Now this significant work of Buddhist path literature has become available owing to recently recovered manuscripts of the Kadampas This book offers a study and complete translation from the Tibetan of this monument of guidance on the Buddhist path accompanied by the commentaries and ritual texts that were transmitted alongside Atisa s text Apple s substantial introduction includes a structural comparison with Atisa s famous work charts the transmission lineage for the present work before it died out and explores various hypotheses for why their fates diverged Recovered from the contingencies of history this book brings to life one of the most holistic and integrated approaches to the highest realizations of the Indian Buddhist path ever transmitted in Tibet **In Praise of Great Compassion** Dalai Lama, Thubten Chodron, 2020-08-11 Discover the Dalai Lama s definitive teaching on compassion in this fifth volume of the Dalai Lama s definitive Library of Wisdom and Compassion series In Praise of Great Compassion the fifth volume of the Library of Wisdom and Compassion continues the Dalai Lama s teachings on the path to awakening While previous volumes focused on our present situation and taking responsibility for creating the causes of happiness this volume concerns opening our hearts and generating the intention to make our lives meaningful by benefiting others We are embedded in a universe with other living beings all of whom have been kind to us in one way or another More than any other time in human history we depend on one another to stay alive and flourish When we look closely it becomes

apparent that we have been the recipient of great kindness Wanting to repay others kindness we cultivate a positive attitude by contemplating the four immeasurables of love compassion empathic joy and equanimity and the altruistic intention of bodhicitta We learn to challenge the self centered attitude that leads to misery and replace it with a more realistic perspective enabling us to remain emotionally balanced in good and bad times In this way all circumstances become favorable to the path to awakening
