Fundamentals of Traditional Chinese Medicine Hong-Zhou Wu,Zhaoqin Fang,2013 Traditional Chinese medicine TCM with a history of thousands of years is the crystallization of the ancient Chinese s experiences in their struggle against diseases It is also an integral part of the Chinese s splendid culture Under the influence and direction of classic Chinese philosophies it has undergone long term medical practice and infiltrated into as well as absorbed from other subjects in that point in time thus gradually evolving into a unique medical theoretical system that contributed and is still contributing significantly to the healthcare of the Chinese and the prosperity of the Chinese nation The basic theories of TCM are the theoretical foundations for guiding traditional Chinese preventive medicine and clinical medicine and encompass aspects such as the philosophical foundation for TCM understanding the effects of TCM on the physiology and pathology of the human body and the principles in TCM for life cultivation rehabilitation diagnostics and therapeutics In this sense the basic theories are regarded not only as an important part of TCM but also as a compulsory course fundamental to the study and research of TCM This book is compiled to allow the majority of readers to understand the theory of TCM and its methods of diagnosing and treating diseases in a relatively short period of time It provides a brief introduction to the basic characteristics and theory of TCM and a detailed schedule of learning commonly occurring diseases and patterns and their estimated 60 corresponding prescriptions This is a great attempt in initiating more people to understand and apply the theory of TCM to diagnose and treat common diseases and provide corresponding formulas 160

Essential Chinese Herbal Patent Medicines Bob Flaws,1999 This is a textbook on and compilation of 160 ready made Chinese herbal medicines Organized according to the same categories as Chinese formulas and prescriptions books it discusses the ingredients functions indications dosages and contraindications of 160 medicines These medicines and the companies that produce them have been selected not only for their clinical utility but also because they are free from heavy metals pesticides Western pharmaceuticals or endangered species The author also discusses how to combine these medicines to treat complex pattern presentations There is an extensive symptom index and a formula index

Historical epistemology and the making of modern Chinese medicine Howard Chiang,2015-07-01 This collection expands the history of Chinese medicine by bridging the philosophical concerns of epistemology and the history and cultural politics of transregional medical formations Topics range from the spread of ginkgo s popularity from East Asia to the West to the appeal of acupuncture for complementing in vitro fertilisation regimens from the modernisation of Chinese anatomy and forensic science to the

evolving perceptions of the clinical efficacy of Chinese medicine The individual essays cohere around the powerful theoretical methodological approach historical epistemology which challenges the seemingly constant and timeless status of such rudimentary but pivotal dimensions of scientific process as knowledge reason argument objectivity evidence fact and truth In studying the globalising role of medical objects the contested premise of medical authority and legitimacy and the syncretic transformations of metaphysical and ontological knowledge contributors illuminate how the breadth of the historical study of Chinese medicine and its practices of knowledge making in the modern period must be at once philosophical and transnational in scope *Essential Chinese Medicine - Volume 1: Restoring Balance* Bao Chun Zhang,Yu Ting

Chen,2018-09-18 *Essential Chinese Medicine Restoring Balance* has gathered a total of 55 types of commonly seen balancing medicinal materials providing the details of each medicine including its origin place of production nature and flavour meridian tropism effects treatment usage and dosage preparation methods of medicated diets and consumption methods All of this information is further illustrated with high quality colour photographs and terms are written in both English and Chinese for easy reference **Essential Chinese Medicine - Volume 3: Improving Blood Circulation** Bao Chun
