Huddilston, 1956 **Essentials of New Testament Greek** John H. Huddilston, 1924 **Essentials of New Testament Greek (Classic Reprint)** John Homer Huddilston, 2017-07-26 Excerpt from *Essentials of New Testament Greek* The publication of the Revised Version of our English New Testament in 1881 marked the beginning of a new interest in Bible study. Since that time not only the English but the Greek and Hebrew have been studied with a zeal quite new. The sources are being more carefully examined to day than ever before. Students are becoming more and more awake to the great importance of being able to judge of a certain passage for themselves rather than accepting without doubt or question whatever the authorities say in regard to it.
