Betts Jr., 2013-04 How George Washington survived so many close encounters with the Grim Reaper in the wilderness frontier on the battlefield from serious illness and in terrifying accidents can be read only in the story of a steady succession of miracles For the incredible fact that he survived all of these encounters except of course the last to live sixty seven years is a consummation for which untold millions can be eternally grateful For it was Washington who with the success of the Revolution and the leadership provided through two terms as President brought forth upon this continent an entirely new way of life This society governed as it now was by a spirited reverence for freedom and guaranteed by documents revolutionary in their principles must have startled the Old World **Farmer George Plants a Nation** Peggy Thomas, 2014-09-12 School Library Journal Best Book of the Year NSTA CBC Outstanding Science Trade Book American Farm Bureau Foundation for Education Recommended Book Besides being a general and the first president of the United States did you know that George Washington was also a farmer Here s a look at America s first President as he s rarely seen George Washington was the first leader of our country but he was also an inventor scientist and the most forward thinking farmer of his time As he worked to make the new country independent he also struggled to create a self sufficient farm at Mount Vernon Virginia Excerpts from Washington s writings are featured throughout this nonfiction picture book which also includes a timeline resource section as well as essays on Washington at Mount Vernon and his thoughts on slavery Both the author and illustrator worked closely with the staff of Mount Vernon Estate Gardens to render an accurate portrait of Farmer George at work Nebraska Farm Bureau Children s Agriculture Book of the Year Ohio Farm Bureau s Children s Book Award A Wisconsin Ag in the Classroom Book of the Year Kansas State Reading Circle Recommended Reading List **Washington** Ron Chernow, 2011-09-27 From the author of Alexander Hamilton the New York Times bestselling biography that inspired the musical comes a gripping portrait of the first president of the United States Winner of the 2011 Pulitzer Prize for Biography Truly magnificent a well researched well written and absolutely definitive biography Andrew Roberts The Wall Street Journal Until recently I d never believed that there could be such a thing as a truly gripping biography of George Washington Well I was wrong I can t recommend it highly enough as history as epic and not least as entertainment Hendrik Hertzberg The New Yorker Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States With a breadth and depth matched by no other one volume biography of George Washington this crisply paced narrative carries the reader through his adventurous early years his heroic exploits with the Continental Army during the Revolutionary War his presiding over the Constitutional Convention and his magnificent performance as America s first
