Yes, We Are Stupid in America! Dr. Vicky Wells, 2013-01-21 Students in countries such as Finland South Korea and Singapore continue to outperform their peers in America But that hasn't stopped the United States government from spending more money on education as achievement plummets Dr Vicky Wells a former school principal explores what's going on at the federal state and local levels so that members of the public

can hold bureaucrats accountable In a series of reality checks she explains how to meet the growing crisis head on equip students with the necessary skills upon graduation make decisions based upon the input of real life educators and ignore politics in order to best serve students Teachers and parents trust leaders to make decisions based on whats best for the students Even so all too often decision making seems to be more about politics and quid pro quo and this does not best serve students educators or the community The educational system continues to decline and students keep dropping out or graduating without the knowledge they need to succeed Its time to stop constantly changing curriculum and start focusing on the real problems confronting teachers and students *Writer's Workshop for the Common Core* Warren

Combs,2014-01-09 Writing instruction expert Warren Combs presents a step by step plan for teaching writing workshops that are aligned to the Common Core State Standards The book is filled with practical mini lessons strategies and tools for every stage of the writing process from prewriting through publication Scripting is provided to show teachers how to model each strategy for students In addition Dr Combs shows how teachers can use the following elements The concepts Voice Pictures and Flow to help students understand the essential elements of writing The words Invite Model Write Look and Learn to model effective writing for students and have them learn from your example Revision strategies such as Jot and Blend Combining Sentences Writing Leads and Writing Closes Peer revision using Peer Assisted Learning Systems PALS Student self assessment rubrics The book also includes scoring guides and pacing guides to help teachers implement writing workshops more easily As Dr Combs demonstrates you can give workshops more structure while still making writing come alive for your students *Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications* Management

Association, Information Resources,2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields However recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education Adult and Continuing Education Concepts Methodologies Tools and Applications investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries With an extensive array of chapters on topics ranging from non traditional students to online and distance education for adult learners this multi volume reference book will provide students educators and industry professionals with the tools necessary to make the most of their return to the classroom
