

# Gerhard Richter Pictures Or Series

**Dietmar Elger**

A light blue horizontal bar with a rounded right end, partially overlapping a red circular graphic. The bar is positioned in the upper left quadrant of the slide. The red graphic is a semi-circle or a portion of a circle, with a gradient from light red to white, located to the right of the blue bar.

## **Gerhard Richter Pictures Or Series:**

**Gerhard Richter** Hans Ulrich Obrist, 2014 **Gerhard Richter** Hans Ulrich Obrist, Georges Didi-Huberman, Gerhard Richter, Dieter Schwarz, 2014 Over the 60 years of his artistic career Gerhard Richter born 1932 has produced a standard setting oeuvre whose thematic and stylistic diversity has no equal among the art of our time This extensive monograph is the first to present the complete range of the numerous works Richter realized as series cycles and spaces It includes figurative paintings such as landscapes still lifes and portraits many of which are based on photographs such as the series S and Child a personal and intimate variation on the traditional subject of the Madonna and Child It also features abstract works for which Richter draws from a changing repertoire of forms and colors to produce both small and monumental paintings *Gerhard Richter* Gerhard Richter, Birgit Pelzer, 1996 **Gerhard Richter: 100 Abstract Pictures** Gerhard Richter, 2023-06-06 A new artist's book created by Gerhard Richter that explores abstraction and chance in art and writing The 100 Abstract Pictures shown here originated about five years ago when I poured enamel paints on a fifty by fifty centimeter glass plate The paints then flowed into one another without completely mixing Thus they produced countless ephemeral abstract pictures which I captured in photographs These pictures are juxtaposed in the book with text formations that were generated at random Gerhard Richter 2023 With a career spanning more than sixty years the renowned painter Gerhard Richter is one of the greatest artists of the twentieth and twenty first centuries Debuting alongside Richter's first exhibition at David Zwirner featuring new abstract works created between 2016 and 2022 this book celebrates his continued dedication to experimentation and innovation An artwork of its own this intimate volume inspires both close looking and a beautiful interpretation of abstraction **Gerhard Richter** Sheena Wagstaff, Benjamin H. D. Buchloh, Briony Fer, Hal Foster, Peter Geimer, Brinda Kumar, André Rottmann, 2020 Over the course of his acclaimed 60 year career Gerhard Richter b 1932 has employed both representation and abstraction as a means of reckoning with the legacy collective memory and national sensibility of post WWII Germany in both broad and very personal terms This handsomely designed book spans the artist's rich and varied oeuvre from the early 1960s to the present including photo paintings portraits large scale abstract series and works on glass Essays by leading experts on the artist illuminate Richter's preoccupation with painting in relation to other modes of representation and emphasize the ongoing importance of the medium's formal and conceptual possibilities in contemporary art **The Art of Gerhard Richter** Christian Lotz, 2015-10-22 The Art of Gerhard Richter Hermeneutics Images Meaning presents the first philosophical investigation of arguably one of the most popular and important painters working today Gerhard Richter From monochrome painting and photo realism to conceptual art and gesture expressive painting Richter has transformed the spectrum of 20th Century painting Building upon Gadamer's notion of formed images the book outlines elements of a hermeneutics and a phenomenology of images and paintings Moreover the hermeneutic approach to art is combined with the crucial question of how paintings and photographs are related to each other for Richter

The author suggests that paintings open up the fixed relation and intentionality of photographs by idealizing and essentializing the content of the photographs By relying upon a hermeneutical and phenomenological approach rather than working from abstract theory The Art of Gerhard Richter provides philosophical insights developed out of Richter's works of art Uncovering key philosophical aspects of Richter's work the author's reflections discuss the relation between appearance and essence the role of faith and hope the dialectic of distance and nearness the issues of death and terror and the role of beauty and landscapes in Richter's paintings     *Gerhard Richter* Helmut Friedel, Gerhard Richter, Robert Storr, 2011

SPECIAL PRICE down from 34.99 while stocks last This book explores Gerhard Richter's mesmerizing abstract paintings from a particularly fertile period of one of the most important living artists Startling colours soft greys undulating lines and large canvases are the hallmark of Richter's abstract period Like all of Richter's painting these works defy categorization reflecting the artist's own journey towards understanding the world around him a journey he invites his viewers to share with him Three of his seminal works of this period Red Yellow and Blue are given particular attention and are presented here in luxurious foldout spreads An illustrated essay by Robert Storr perhaps the foremost authority on Richter provides illuminating background to the artist's rich and complex oeuvre Art critic Helmut Friedel interviews the artist and offers his own perspective on Richter's converging interests in painting and photography AUTHORS Helmut Friedel is the director of the Lenbachhaus in Munich He has published numerous books on art Robert Storr is a professor at New York University and the author of a comprehensive monograph on Gerhard Richter 114 colour illustrations     Gerhard Richter: Writings Gerhard Richter, 2009 This volume makes available a comprehensive selection of Richter texts several published for the first time These texts come from all periods of his career letters and interviews public statements about specific exhibitions private reflections drawn from personal correspondence answers to questions posed by critics and excerpts from journals discussing the intentions subjects methods and sources of his work from various periods Complete with a comprehensive appendix and accompanied by over a hundred photographs of artworks works in progress exhibition installations and colleagues and family this book forms a brilliantly illuminating commentary on Richter's art as well as providing a thought provoking discussion on the status of art and the artist in society today BOOK JACKET     **Gerhard Richter** Stefan Gronert, Hubertus Butin, 2006 This book demonstrates how Richter pursues the theme of the portrait in his various types of work as well as in all of the visual genres in which he works painting prints drawing photography and film     **Gerhard Richter** Armin Zweite, 2020-02-25 This superbly illustrated large format book is the definitive retrospective of Gerhard Richter's genre defying boundary blurring and constantly evolving oeuvre One of the world's most revered visual artists Gerhard Richter embraces many concepts in his work and continually thwarts categorization In this expansive and authoritative overview Armin Zweite leads readers through every phase of Richter's celebrated career including his early artistic education in East Germany and his later prolific output in West Germany the black and white photo paintings the brilliantly conceived color

charts and lush inscrutable gray paintings installations with glass and mirrors his landscapes portraits and still lifes and his monumental abstract paintings which broke records at auction Also included are selections from Richter's larger scale thematic works such as Atlas his ongoing collection of photographs and newspaper clippings and October 18 1977 a series of paintings commemorating the lives and deaths of members of a German left wing terrorist group The beautiful plates sections feature exquisite reproductions of more than 250 of his most famous works including Ten Large Color Charts 1966 Annunciation after Titian 1973 Faust 1980 Skull with Candle 1983 Funeral 1988 Strip 2012 and Double Gray 2014 Throughout Zweite's clear-eyed commentary offers an expert appraisal of the breadth of Richter's oeuvre This six decade monograph of Richter's work is a visually stunning and articulate appreciation by one of the world's foremost experts on the artist and his life

*Gerhard Richter, Individualism, and Belonging in West Germany* Luke Smythe, 2022-07-29 This book reevaluates the art of Gerhard Richter b 1932 in relation to his efforts to achieve belonging in the face of West Germany's increasing individualism between the 1960s and the 1990s Richter fled East Germany in 1961 to escape the constraints of socialist collectivism His varied and extensive output in the West attests to his greater freedom under capitalism but also to his struggles with belonging in a highly individualised society a problem he was far from alone in facing The dynamic of increasing individualism has been closely examined by sociologists but has yet to be employed as a framework for understanding broader trends in recent German art history Rather than critique this development from a socialist perspective or experiment with new communal structures like a number of his colleagues Richter sought and found security in traditional modes of bourgeois collectivity like the family religion painting and the democratic capitalist state The book will be of interest to scholars working in art history as well as German history culture and politics

**Gerhard Richter** Ortrud Westheider, Uwe M. Schneede, Michael Philipp, 2011 This volume presents and describes 50 of the artist's works with essays by leading Richter experts It also includes personal testimonials in previously unpublished letters as well as a conversation between Gerhard Richter and Richter expert Uwe Schneede This book provides new insight into the complexity of Richter's imagery in which banality and evil confront one another the dreams and aspirations of the times fast cars and new travel possibilities personal memories the oppressive past contemporary politics and both trivial and meaningful everyday objects The cycle 18 Oktober 1977 1988 which deals with the death of members of the Red Army Faction Baader Meinhof gang plays an important role in our understanding of the evocative power of these pictures from the 1960s Richter's intense preoccupation with this event concludes this group of paintings from photographs This cycle which was loaned to the Bucerius Kunst forum in Hamburg by the New York Museum of Modern Art has led to a new interpretation and positioning of Richter's work

Gerhard Richter Dietmar Elger, 2009 This fascinating book offers unprecedented insight into artist Gerhard Richter's life and work From his childhood in Nazi Germany to his time in the West during the turbulent 1960s and 70s this work presents a complete portrait of the often reclusive Richter

Gerhard Richter: Abstract Paintings Whitechapel

Art Gallery, 1979      Richter 858 Gerhard Richter, 2002-01-01 Gerhard Richter's abstractions are profound and beautiful though perplexing. After all these years they still present a curious challenge: what exactly are they? Richter 858 explores this question by focusing on one suite of extraordinary pictures painted in 1999 soon after his return to work after a silence caused by a stroke. Both investigation and celebration, this book brings together image, music, and text in a uniquely compelling way. Contributors include the great guitarist and composer Bill Frisell, two sharp-eyed critics, and a baker's dozen of prominent award-winning poets. Housed in an aluminum slipcase, this lavish oversized volume features the largest, most sumptuous and most accurate reproductions of any Richter work. The eight paintings of the suite are shown at more than half scale and also quite untraditionally presented unbound on heavy paper in a pocket at the back of the book, allowing readers to mix, match, and re-present the work for themselves outside the confines of the printed volume. Forty details from the paintings are also reproduced in large format, accompanied by the poems and texts. These brilliant passages, rich in incident and intervention and ranging from the coolly sublime to the loudly riotous, make fascinating pictures in their own right. Additionally, a double gatefold opens to show all eight paintings in panoramic view. In essence, Richter 858 presents an elegant if raucous meeting ground for our most important contemporary artist and a diverse chorus of American music, poetry, and criticism.

Gerhard Richter Portraits Paul Moorhouse, 2009 Appearance, semblance is the theme of my life. This statement by Gerhard Richter b. 1932 suggests the importance of portraiture to his career. One of the greatest artists working today, Richter has been intensively engaged with portraiture since 1962. His portraits invite critical consideration of both portraiture and painting; they include images of specific people, whether sensational subjects or people in the media, icons of the popular imagination or close friends and relatives. However, all are transformed when Richter puts them onto canvas, for they often become anonymous in the process or become significant simply for being included. Richter's investigation into how we understand what surrounds us is at the heart of all his work. In this large-scale book, ideal for Richter's portraits, Paul Moorhouse offers a major advance in the understanding and appreciation of the renowned artist's work. With keen insight, Moorhouse studies the portraits in close detail, examining the sophisticated ways in which Richter has challenged and extended the genre of portraiture and revealing the startling range of the artist's source material. Featuring never-before-published images, this book clearly eclipses any previous publication on Richter's portraiture.

**Poetic Thinking Today** Amir Eshel, 2019-11-05 Thinking is much broader than what our science-obsessed, utilitarian culture often takes it to be. More than mere problem-solving or the methodical comprehension of our personal and natural circumstances, thinking may take the form of a poem, a painting, a sculpture, a museum exhibition, or a documentary film. Exploring a variety of works by contemporary artists and writers who exemplify poetic thinking, this book draws our attention to one of the crucial affordances of this form of creative human insight and wisdom: its capacity to help protect and cultivate human freedom. All the contemporary works of art and literature that *Poetic Thinking Today* examines touch on our recent experiences with

tyranny in culture and politics They express the uninhibited thoughts and ideas of their creators even as they foster poetic thinking in us In an era characterized by the global reemergence of authoritarian tendencies Amir Eshel writes with the future of the humanities in mind He urges the acknowledgment and cultivation of poetic thinking as a crucial component of our intellectual pursuits in general and of our educational systems more specifically     **The Pictures Generation, 1974-1984** Douglas Eklund, 2009 Image art after Conceptualism CalArts Hallwalls and Artists Space The jump appropriation and its discontents His gesture moved us to tears pictures art in a reinvigorated market     **Edlis/Neeson Collection** Art Institute of Chicago, James Rondeau, 2015-01-01 Marking an important moment in the Art Institute of Chicago's 136 year history this book documents an exceptional gift to the museum the Edlis Neeson Collection consisting of 44 stellar works of contemporary art Among the highlights are major paintings by some of the 20th century's best known artists including Jasper Johns Roy Lichtenstein Robert Rauschenberg Gerhard Richter Cy Twombly and Andy Warhol Also included in the gift are paintings photographs and sculptures by icons of contemporary art such as Damien Hirst Jeff Koons and Cindy Sherman This catalogue places the Edlis Neeson Collection in direct dialogue with works already in the Art Institute's holdings An essay by James Rondeau situates the gift in the context of the museum's history and uses it to illustrate the growth and development of Pop Art Most importantly this book celebrates a transformative gift that allows the Art Institute to claim the most important collection of modern and contemporary art in any encyclopedic institution in the world     **Gerhard Richter** Robert Storr, Gerhard Richter, 2002 Tour of the exhibition the Museum of Modern Art New York Feb 14 May 21 2002 and others

This is likewise one of the factors by obtaining the soft documents of this **Gerhard Richter Pictures Or Series** by online. You might not require more grow old to spend to go to the ebook commencement as skillfully as search for them. In some cases, you likewise get not discover the publication Gerhard Richter Pictures Or Series that you are looking for. It will completely squander the time.

However below, following you visit this web page, it will be as a result no question easy to get as without difficulty as download guide Gerhard Richter Pictures Or Series

It will not put up with many era as we accustom before. You can pull off it even if affect something else at home and even in your workplace. thus easy! So, are you question? Just exercise just what we present under as competently as review **Gerhard Richter Pictures Or Series** what you afterward to read!
