The United States Catalog, 1903      **German Easy Reader** Brian Smith, 2022-01-15 3 in 1 save 33% yes that's right Get 3 books in one for the price of 2. This easy reader comprises three books: German Easy Reader Super 500, German Easy Reader 2: Adventures in Bavaria, German Easy Reader 3: Magic Munich. Super 500 is as the name implies based on the 500 most common words in German. Knowing these will enable you to understand 80% of average German texts. The aim of this book is to introduce these words and practise using them along with the three most common tenses and sentence structures until you have a very solid foundation and can move on to more challenging aspects of German with confidence. Adventures in Bavaria gives the reader further practice at the level reached at the end of Super 500. The complexity of the language and most of the vocabulary have been carefully chosen to enable an easy understanding of the text. New vocabulary is strictly limited and repeatedly used throughout the reader to help you achieve maximum fluency with a minimum of effort. German Easy Reader 3 is designed to help you get that extra bit of reading practice at a low level before moving on to more difficult texts. There is some additional vocabulary and grammar to help make the transition to the German Pre intermediate Reader easier. Words and constructions are from common everyday language and there is a lot of dialogue to give you additional confidence when meeting Germans face to face. To help you with the pronunciation an MP3 recording of the German text in each unit is available for free at [www.briansmith.de](http://www.briansmith.de).      *Catalogue* Yale University, 1903      The Bookseller, Newsdealer and Stationer, 1899      **Bulletin**, 1909      **Catalogue of Yale University** Yale University, 1900      *Bulletin* United States.
