German Ideals Day Culture Classic:

German Ideals of To-day Kuno Francke, 1907 This book contains a collection of essays and sketches which showcase the literary and artistic achievements of Germany in order to provide a picture of the German national mind and character

Kuno Francke's Edition of the German Classics (1913-15) Jeffrey L. Sammons, 2009 The twenty volume edition of The German Classics Masterpieces of German Literature Translated into English was edited by Kuno Francke of Harvard 1855 1930 the most prestigious professor of German in America at the time While it bears the imprint dates 1913 and 1914 it was not completed until mid 1915 just in time for the submarine sinking of the passenger liner Lusitania in May of that year The edition was publicized with great fanfare and was well received at first but with the outbreak of the European war in 1914 and the entry of the United States into it in 1917 American sentiment turned against all things German The reviews became hostile the edition was nearly pulped its publisher went bankrupt and Francke felt obliged to resign his Harvard professorship Kuno Francke's Edition of The German Classics 1913 15 describes the origins of the edition recounts the careers of the editors and some fifty professional contributors seeks to identify approximately 115 translators and comments on the nearly 500 illustrations mostly German art of the nineteenth century This book also introduces the selections from the 114 featured authors almost a third of whom were still alive at the time of publication and evaluates the critical commentary The edition emerges from the study as a laboratory of the high prestige of German literature and culture in the United States before it fell into permanent decline at the time of World War I

The Praeger Handbook of Faith-Based Schools in the United States, K-12 Thomas C. Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America's faith based schools The Praeger Handbook of Faith Based Schools in the United States K 12 is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U S education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their children

Educational Histories of European Social Anthropology Dorle Dracklé, Iain R. Edgar, Thomas K. Schippers, 2003 Aimed at professional anthropologists their students and academic policy makers the contributions to this volume provide an unprecedented array of insights into the current teaching and learning of social anthropology across

Europe With case studies from eighteen different countries this volume presents a rich panorama of local histories contexts and experiences which are essential contributions to current debates on the role and significance of anthropology in an era of converging Higher Education policies More practically the volume offers teachers and students the possibility of developing international exchanges supported by a previously unobtainable knowledge of institutional histories and differing local contexts

Culture and Society in Classical Weimar 1775-1806 W. H. Bruford, 1962 A paperback of the hardcover edition first published in 1962 The book describes Goethe's Weimar from documents and research and interprets the connections between German culture and German society both in the age of Goethe and later To this book Professor Bruford has written a sequel *The German Tradition of Self Cultivation* and the two books together offer an introduction to the whole evolution of the German intellectual tradition
