Institute of Library Research, University of California, Berkeley, 1972 Source Materials for Secondary School Teachers of Foreign Languages Esther May Eaton, 1962 **Cultural History of Reading** Sara E. Quay, Gabrielle R. Watling, 2008-11-30 What is it about some books that makes them timeless Cultural History of Reading looks at books from their earliest beginnings through the present day in both the U S and regions all over the world Not only fiction and literature but religious works dictionaries scientific works and home guides such as Mrs Beeton s all have had an impact on not only their own time and place but continue to capture the attention of readers today Volume 1 examines the history of books in regions throughout the world identifying both literature and nonfiction that was influenced by cultural events of its time Volume 2 identifies books from the pre colonial era to the present day that have had lasting significance in the United States History students and book lovers alike will enjoy discovering the books that have impacted our world American Book Publishing Record ,2003 *The Origins of the German Principalities, 1100-1350* Graham A. Loud, Jochen Schenk, 2017-07-06 The history of medieval Germany is still rarely studied in the English speaking world This collection of essays by distinguished German historians examines one of most important themes of German medieval history the development of the local principalities These became the dominant governmental institutions of the late medieval Reich whose nominal monarchs needed to work with the princes if they were to possess any effective authority Previous scholarship in English has tended to look at medieval Germany primarily in terms of the struggles and eventual decline of monarchical authority during the Salian and Staufan eras in other words at the failure of a centralised monarchy Today the federalised nature of late medieval and early modern Germany seems a more natural and understandable phenomenon than it did during previous eras when state building appeared to be the natural and inevitable process of historical development and any deviation from the path towards a centralised state seemed to be an aberration In addition by looking at the origins and consolidation of the principalities the

book also brings an English audience into contact with the modern German tradition of regional history *Landesgeschichte*. These path breaking essays open a vista into the richness and complexity of German medieval history *Circular*, 1966

Communication, Translation, and Community in the Middle Ages and Early Modern Period Albrecht

Classen, 2022-08-22 Literature serves many purposes and one of them certainly proves to be to convey messages wisdom and instruction and this across languages religions and cultures Beyond that as the contributors to this volume underscore people have always endeavored to reach out to their community members that is to build community to learn from each other and to teach Hence this volume explores the meaning of communication translation and community building based on the medium of language While all these aspects have already been discussed in many different venues the contributors endeavor to explore a host of heretofore less considered historical religious literary political and linguistic sources While the dominant focus tends to rest on conflicts hostility and animosity in the pre modern age here the emphasis rests on communication with its myriad of challenges and potentials for establishing a community As the various studies illustrate a close reading of communicative issues opens profound perspectives regarding human relationships and hence the social context This understanding invites intensive collaboration between medical historians literary scholars translation experts and specialists on religious conflicts and discourses We also learn how much language carries tremendous cultural and social meaning and determines in a most sensitive manner the interactions among people in a communicative and community based fashion

Cultural History of Reading [2 volumes] Sara E. Quay,Gabrielle R. Watling,2008-11-30 **Founding Friends** Patricia D'Antonio,2006 Founding Friends is a history of day to day life inside the Friends Asylum for the Insane in early nineteenth century Philadelphia It uses an extraordinarily rich data source the daily diaries that the Asylum s lay superintendents kept between 1814 and 1850 In their diaries these men wrote about their own and their attendant staff s work They also write about their patients their conditions the moral remedies applied the medical prescriptions ordered by consulting physicians the reasons for chosen treatments and the responses of patients and staff to the particular interventions The Asylum s lay superintendents also wrote with unusual candor and detail about their own and their attendant staff s feelings about the joys and the frustrations of working daily with insane patients These diaries offer a new perspective on institutional life This book shows how intricate negotiations and shifting alliances among families communities patients and staff emerge as the most compelling determinants of an institution s changing form and function **Classical Readings in Culture and Civilization** Stephen Mennell,John F. Rundell,1998 In recent times especially under the influence of postmodernism culture has often been construed as a critique of modernity This wide ranging and comprehensive collection of readings shows that such issues have always been at the centre of thought about the relationship between culture and civilization The readings are divided into three sections linking the civilization debate to political theory to the cultural debate and to the sociology and anthropology The substantial extracts included give students a rare chance to engage at length with classic texts to appreciate the nature of the battle between the Enlightenment and its critics which has shaped current thought Classical Readings on Culture and Civilisation presents essays from Immanuel Kant Adam Ferguson Thomas Jefferson Alexis de Tocqueville Friedrich von Schiller Friedrich Nietzsche Georg Simmel Thomas Mann Sigmund Freud Emile Durkheim Marcel Mauss Lucien Febvre Alfred Weber Robert E Park Norbert Elias
