Your Curriculum Companion: Libby Woodfin, Suzanne Nathan Plaut, Sarah Boddy Norris, 2021-02-01 This essential guide to the EL Education 6-8 Language Arts Curriculum is one part roadmap to the curriculum, one part orientation to its instructional practices, and one part coach to answer your questions, relieve your stress, and put you and your students on the path to success. Your Curriculum Companion explores the foundations of the curriculum, including the principles and research it was built on, and the instructional practices that make it unique. The book is designed to help you look under the hood at practices embedded throughout the curriculum so that you can sharpen your instruction, support students to be leaders of their own learning, and make well-informed changes to best meet your students' needs. Key features of Your Curriculum Companion include: Twenty-two accompanying videos see the curriculum in action; Task cards for guidance on how to plan when the planning has been done for you; A deep dive into the purpose and structure of close reading, including a sample annotated lesson; An exploration of the relationship between reading and writing, and how the curriculum is designed to help students become strong communicators, including an annotated read-think-talk-write lesson; The why, what, and how of supporting students to meet grade-level expectations; supporting students who need additional challenges; and supporting English language learners. Guidance for turning evidence of student progress into usable data that can inform your instruction. Support for school leaders. *Strategy Instruction for Middle and Secondary Students with Mild Disabilities* Greg Conderman, Laura Hedin, Val Bresnahan, 2013-02-14 Teach your students learning strategies that will last a lifetime. The pressure is on, special and general education teachers alike. If we're to ensure that adolescents with mild disabilities achieve the very same gains as their peers, we must first teach them how to learn. Here's a one-stop guide for getting started, pairing the very best instructional methods with assessments and IEP goals so all students can be independent learners. Driven by research, this indispensable resource features evidence-based strategies for teaching vocabulary, reading, written language, math, and science, as well as study skills, textbook skills, and self-regulation. Clear presentation that describes strategies in context. Informal assessments for every content area or skill addressed. Case studies that link assessment results, IEP goals, and learning strategies. Application activities with questions and suggested responses. Whether you teach in an inclusive resource or self-contained setting, there's no better guide for teaching your students learning strategies that will last a lifetime. This is a rare find, a book for practitioners that actually stays on task throughout and provides an abundance of teaching strategies. As a veteran of the classroom, it is nice to find strategies that are useful and can be readily implemented. Sally Jeanne Coghlan, Special Education Teacher, Rio Linda Preparatory Academy, Rio Linda, CA. I really like this comprehensive resource of strategies. I felt the book was written for people like me, struggling to do the very best for my students to make their time in school truly of benefit. Cheryl Moss, Special Education Teacher, Gilbert Middle School, Gilbert, IA.
