Vincent Lowery, 2013-11-15 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important

to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group's purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses **Reconstructing Violence** Deborah E. Barker, 2015-11-11 In this bold study of cinematic depictions of violence in the south Deborah E Barker explores the ongoing legacy of the southern rape complex in American film Taking as her starting point D W Griffith's infamous Birth of a Nation Barker demonstrates how the tropes and imagery of the southern rape complex continue to assert themselves across a multitude of genres time periods and stylistic modes Drawing from Gilles Deleuze's work on cinema Barker examines plot dialogue and camera technique as she considers several films The Story of Temple Drake 1933 Sanctuary 1958 Touch of Evil 1958 To Kill a Mockingbird 1962 and Cape Fear 1962 Placing this body of analysis in the context of the historical periods when these films appeared and the literary sources on which they are based Barker reveals the protean power of cinematic racialized violence amid the shifting cultural and political landscapes of the South and the nation as a whole By focusing on familiar literary and cinematic texts each produced or set during moments of national crisis such as the Great Depression or the civil rights movement Barker's Reconstructing Violence offers fresh insights into the anxiety that has underpinned sexual and racial violence in cinematic representations of the South Essays on the Civil War and Reconstruction and Related Topics William Archibald Dunning, 1897 Essays on the Civil War and Reconstruction and Related Topics by William Dunning Archibald first published in 1898 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it The Citizen ,1898

Griffith's the Birth of a Nation Melvyn Stokes, 2008-01-15 In this deeply researched and vividly written volume Melvyn Stokes illuminates the origins production reception and continuing history of this ground breaking aesthetically brilliant and yet highly controversial movie By going back to the original archives particularly the NAACP and D W Griffith Papers Stokes explodes many of the myths surrounding The Birth of a Nation 1915 Yet the story that remains is fascinating the longest American film of its time Griffith's film incorporated many new features including the first full musical score compiled for an American film It was distributed and advertised by pioneering methods that would quickly become standard Through the high prices charged for admission and the fact that it was shown at first only in live theaters with orchestral accompaniment Birth played a major role in reconfiguring the American movie audience by attracting more middle class patrons But if the film was a milestone in the history of cinema it was also undeniably racist Stokes shows that the darker side of this classic movie has its origins in the racist ideas of Thomas Dixon Jr and Griffith s own Kentuckian background and earlier film career The book reveals how as the years went by the campaign against the film became increasingly successful In the 1920s for example the NAACP exploited the fact that the new Ku Klux Klan which used Griffith's film as a recruiting and retention tool was not just anti black but also anti Catholic and anti Jewish as a way to mobilize new allies in opposition to the film This crisply written book sheds light on both the film's racism and the aesthetic brilliance of Griffith's filmmaking It is a must read for anyone interested in the cinema Essays on the Civil War and Reconstruction and Related Topics William Archibald Dunning, 2023-07-18 This collection of essays by the renowned historian William Archibald Dunning examines the political economic and social forces that shaped the American Civil War and its aftermath Dunning provides a nuanced and insightful analysis of the key issues and debates of the period including slavery states rights and the role of the federal government He

The stories are less about specific Civil War battles or the horrors of war than about ordinary adventures and heartbreaks of young soldiers One soldier constantly composes new epitaphs for himself much to the irritation of his comrades A wounded soldier finds himself abandoned by his regiment and accidentally strikes up a friendship with a soldier from the other side One soldier starts seeing ghostly visions of his dead brother and wants to know why In the opening story a courier is sent by headquarters to deliver an urgent and tragic message only to learn that the local commander has forbidden him to deliver it In the final story two soldiers have to hunt down and stop a hidden sharpshooter nicknamed Old Mortality and in so doing have to face and understand their fears Told in an accessible humorous and even old fashioned way these stories have a philosophical bent and give readers a sense of how 19th century young Americans must have pondered their world This 8th story collection published posthumously is the first Jack Matthews story collection to be published in 23 years This special ebook edition is illustrated by Barbiel Matthews Sanders the author's daughter and includes two introductory essays by Personville editor Robert Nagle The author s website www ghostlypopulations com also contains a study guide for teachers and an annotated bibliography of Civil War fiction prepared especially for this ebook
