The Atlantic as Mythical Space: An Essay on Medieval Ethea

Alfonso J. García-Osuna, 2023-05-23 The Atlantic as Mythical Space is a study of medieval culture and its concomitant myths legends and fantastic narratives as it developed along the European Atlantic seaboard It is an inclusive study that touches upon early medieval Ireland the pre Hispanic Canary Islands the Iberian Peninsula courtly love France and the pagan and early Christian British Isles The obvious and consequential ligature that runs throughout the different sections of this text is the Atlantic Ocean a bewildering expanse of mythical substance that for centuries fueled the imagination of ocean side peoples It analyzes how and why myths with the Atlantic as preferential stage are especially relevant in pagan and early Christian western Europe It further examines how prescientific societies fashioned an alternate cosmos in the Atlantic where events beings and places existed in harmony with communal mental structures It explores why in that contrived geography these societies angels and monsters were able to materialize with wonderful profusion it further analyzes how the ocean became a place where human beings ventured forth searching for explanations for what is essentially unknowable the origins of the universe and the reason for our existence in it

Essays in Zen Buddhism Daisetsz Teitaro Suzuki, 2023-11-05 This is an Essay in Zen Buddhism published by D T Suzuki in 1927 Its source material is a text from the Gutenberg Project This book is a simple introduction to Zen Buddhism and its higher concept Mahayana Buddhism Before the text the editor Takahisa Kanai wrote a preface Introduction to Buddhism Zen is the great way of Buddhism It is a way of sitting quietly and trying to achieve a deep awakening of wisdom through meditation This awakening is not exclusive to the individual One s awakening awakens others It is an act of altruism that brings happiness to others This is why Zen is said to be the main gateway to Buddhism Please use these passages as clues to gain profound wisdom Let s seek Nirvana through D T s kind guidance which is his altruistic service to us

How Real Is Reality TV? David S. Escoffery, 2014-12-03 American viewers are attracted to what they see as the non scripted unpredictable freshness of reality television But although the episodes may not be scripted the shows are constructed within a deliberately designed framework reflecting societal values The political economic and personal issues of reality TV are in many ways simply an exaggerated version of everyday life allowing us to identify perhaps more closely than we care to admit with the characters onscreen With 16 essays from scholars around the world this volume discusses the notion of representation in reality television It explores how both audiences and producers negotiate the gulf between representations and truth in reality shows such as Survivor The Apprentice Big Brother The Nanny American Idol Extreme Makeover Joe Millionaire and The Amazing Race Various identity categories and character types found in these shows are discussed and the accuracy of their television portrayal examined Dealing with the concept of reality audience reception gender roles minority portrayal and power issues the book provides an in depth look at what we see or think we see in reality TV Instructors considering this book for use in a course may request an examination copy here

Swedenborg and his mission. Third edition, revised and considerably enlarged David George GOYDER, 1868 *The Problem of Knowledge* Douglas Clyde Macintosh, 1915 **Reality and Truth** John Gabriel Vance, 1917 **Evolutionary Essays 02** Kyle Lance Proudfoot, 2015-05-05 Evolutionary Essays are essays that I started to write at York University in Toronto Canada and finished the free drafts on 05 02 2012 They are in the genres of Philosophy psychology politics economics religion culture history and evolution with a good dosage of humor and intellect Evolutionary Essays is what I see as positive for this planet and what is wrong especially in the modern Western civilizations This is not just pure optimism and will use sound logical argumentational and factual structures This is also to dispel highly prevalent pessimisms and reveal realities to regain constructive positivism which we have lost so many times nullifying our productivity life is a sine wave it is not about your success and failures but the fact you keep getting up again it is not if you win or lose but how you fight your battles it is not how you die but how you lived your life Debts not paid in this one are incurred in the next one This is to try and bring clarity and solutions from observation and experience the distinct realm of philosophy This is a philosophical discourse description and narration using logic reason reduction deduction facts and argumentation to provide a point of view with constructive criticism and suggestions for improvement which may be adopted and or applied to Citizens governments or corporations A philosopher s position is to ask questions not per se to answer anything or to be a guide but rather to point in the correct direction of the past present and future giving no more than a guideline for you can only find your own will and way Where possible though it is highly relative one can try and reveal truth Like light versus shadow it will always win in the end Truth is commonality *Philip Roth's Rude Truth* Ross Posnock, 2008-07-28 Has anyone ever worked harder and longer at being immature than Philip Roth The novelist himself pointed out the paradox saying that after establishing a reputation for maturity with two earnest novels he worked hard and long and diligently to be frivolous an effort that resulted in the notoriously immature Portnoy s Complaint 1969 Three and a half decades and more than twenty books later Roth is still at his serious pursuit of the unserious But his art of immaturity has itself matured developing surprising links with two traditions of immaturity an American one that includes Emerson Melville and Henry James and a late twentieth century Eastern European one that developed in reaction to totalitarianism In Philip Roth s Rude Truth one of the first major studies of Roth s career as a whole Ross Posnock examines Roth s mature immaturity in all its depth and richness Philip Roth s Rude Truth will force readers to reconsider the narrow categories into which Roth has often been slotted laureate of Newark New Jersey junior partner in the firm Salinger Bellow Mailer and Malamud Jewish American regionalist In dramatic contrast to these caricatures the Roth who emerges from Posnock s readable and intellectually vibrant study is a great cosmopolitan in the tradition of Henry James and Milan Kundera *A Hobbit Journey* Matthew Dickerson, 2012-09-01 The Lord of the Rings trilogy has delighted millions of fans worldwide in book and movie form With the theatrical release of the two part film The Hobbit slated for 2012 and 2013 attention will once again turn to J R R Tolkien s classic works In a culture where truth is

relative and morality is viewed as old fashioned we welcome the chance to view the world through hobbit eyes we have free will our choices matter and living a morally heroic life is possible In this engaging and thought provoking book Tolkien expert Matthew Dickerson shows how a Christian worldview and Christian themes undergird Tolkien's Middle earth writings and how they are fundamentally important to understanding his vision This revised and expanded edition of *Following Gandalf* includes new material on torture social justice and the importance of the body Essays in Zen Buddhism Daisetz Teitaro Suzuki, 1927

God's Passion for His Glory John Piper, 2006-01-06 In his essay *The End for Which God Created the World* the great theologian Jonathan Edwards proclaimed that God's ultimate end is the manifestation of his glory in the highest happiness of his creatures Pastor John Piper has devoted his years of ministry to exploring the implications of this stunning truth for life and ministry Understanding that God is most glorified in us when we are most satisfied in him has made all the difference for John Piper and can transform your life as well Here Piper passionately demonstrates the relevance of Edwards's ideals for the personal and public lives of Christians today through his own book length introduction to Edwards's *The End for Which God Created the World* This book also contains the complete essay supplemented by almost a hundred of Piper's insightful explanatory notes The result is a powerful and persuasive presentation of the things that matter most in the Christian life

Jorie Graham Thomas Gardner, 2005 Jorie Graham is one of the most important American poets now writing This first book length study brings together thirteen previously published essays and review essays by many of the major critics currently interested in her work and five new essays commissioned for this volume Commenting on each of Graham's eight poetry collections these essays encompass the range of critical thought that her work has attracted both surveying it broadly and engaging closely with individual poems These essays identify three broad concerns that run through each of her strikingly different volumes of poems the movement of the mind in action the role of the body in experiencing the world and the pressures of material conditions on mind and body alike Gardner both shows how Graham is being read at the moment and charts new areas of investigation likely to dominate thinking about her over the next decade This collection is sure to become the crucial first step for all future work on Graham and on American poetry of the last two decades

Community, Religion, and Literature Cleanth Brooks, 1995 As the last collection of Cleanth Brooks's essays before his death *Community Religion and Literature* represents his final considered views on the reading of literature and the role it plays in our society He argues that the proper and essential role of literature lies in giving us our sense of community Yet he denounces the extent to which literature too is now being usurped by the critics who see writing as pure language He believes that just as religion renders truth of another sort so literature is an expression of the truth about human beings More and more in this age of science literature has assumed the burden of providing civilization with its values *Community Religion and Literature* offers students of literature the opportunity to understand what Cleanth Brooks was actually saying rather than what others have said he was saying

Applied Christian Ethics Matthew Lon Weaver, 2014-09-09 *Applied Christian Ethics* addresses

selected themes in Christian social ethics The book is divided in three parts In the first section Foundation several contributors reveal their Christian realist roots and discuss the prophetic origins and multifarious agenda of social ethics Thus the names of Reinhold Niebuhr and Paul Tillich come up frequently In the second section Economics and Justice the focus turns to the different levels at which economics has significance for social justice These chapters discuss fair housing at the local level the dialogue between Christians and Native Americans over property rights at the regional and national levels and trade and international organization In the third and final section Politics War and Peacemaking the content ranges from the existential experience of a soldier to that of a veteran of civil rights activism from theorizing about peacemaking to commenting on the use of drones An Essay on the Existence and Attributes of God Patrick Booth,1855

A Dark California Katarzyna Nowak-McNeice,Agata Zarzycka,2018-02-14 Focusing on portrayals of California in popular culture this collection of new essays traces a central theme of darkness through literature Toby Barlow Angela Carter Joan Didion Thomas Pynchon and Claire Vaye Watkins video games L A Noire music Death Grips Lana Del Rey and the Red Hot Chili Peppers TV True Detective and American Horror Story and film Starry Eyes Southland Tales and A Girl Walks Home Alone at Night Providing insight into the significance of Californian icons the contributors explore the interplay between positive stereotypes connected to the myth of the Golden State and ambivalent responses to the myth based on social and political power the consequences of consumerism transformations of the landscape and the dominance of hyperreality **The Psychology of Mature Spirituality** Polly Young-Eisendrath,Melvin Miller,2002-01-04 At the threshold of the 21st Century many people are faced with a spiritual dilemma where neither secularism nor religion seem adequate The Psychology of Mature Spirituality addresses this dilemma In each of the book s three sections integrity wisdom and transcendence distinguished contributors describe and analyse a mature form of spirituality that will be a hallmark of future years This timely volume will appeal to those involved in psychology psychoanalysis and religious studies **John Henry Newman and the Imagination** Bernard Dive,2018-05-17 For John Henry Newman religion is animated by an imaginative master vision which supplies the mind with spiritual life and peace All his life Newman reflected on this master vision His reflections on the moral imagination developed out of his understanding of practical wisdom as characterized by Aristotle the wisdom that the good man has in living a good life For Newman the vision at the core of religion completes and perfects the intuitions of the conscience John Henry Newman and the Imagination looks at how Newman s understanding of the moral and visionary imagination developed over the course of his life and it relates his ideas about the imagination to his portrayals of religious experience and vision in his novels and poetry Facing the Fold James A Ogilvy,2011-02-28 Scenario planning brought up to date with case studies and a series of essential essays from one of its foremost exponents Jay Ogilvy
