Tilson Prem Jain Karen Linder     The Oracle Speaks: Warren Buffett In His Own Words David Andrews, 2012-11-19 From his office in Omaha Nebraska without even the benefit of a computer Warren Buffett has racked up an investment record that far surpasses his counterparts on Wall Street or anyone else in the world for that matter While traditionally stock exchanges have returned about 11 percent annually in the past half century Buffett's investments have by nearly 29 percent a year solidifying Buffett's conglomerate holding company Berkshire Hathaway as the eighth largest business in the world and netting him 44 billion along the way Despite this tremendous success the Oracle of Omaha remains modest He acknowledges that he has a unique ability to evaluate businesses but he doesn't feel entitled to the vast wealth that ability has earned him Instead he likes to say that he was born at the right place and time This humility in the face of proven talent and innumerable wealth is part of what makes Buffett universally popular he is one of the world's wealthiest men and yet he is still personable and relatable For the first time the most thought provoking and inspiring quotes from Buffett are now compiled in a single book The Oracle Speaks Warren Buffett in His Own Words is a comprehensive guidebook to the inner workings of the Berkshire Hathaway chairman Hundreds of Buffett's best quotes comprising thoughts on investing Wall Street business politics taxes and life lessons will provide the most intimate and direct look into the mind of a modern business icon and give readers enough counsel to last a lifetime Media outlets financial advisers politicians and Americans from Main Street to Wall Street hang on every word Buffett speaks hoping to gain valuable insight into Buffett's investments and successes There is possibly no greater stamp of approval in the business world than to have Buffett invest in a company and few leaders in the course of history have commanded such universally agreed upon respect Even beyond his business savvy Buffett is influential as a progressive thinker and active philanthropist having pledged to give most of his money to charity through the Bill and Melinda Gates Foundation as well as foundations run by his three children It is this humility that consistently draws people to Buffett and will draw people to The Oracle Speaks Most recently inspired by Buffett's New York Times editorial in which he claimed he paid too little in taxes President Barack Obama and Congress have named a series of tax reforms after Buffett While the political implications have been controversial Buffett has retained his reputation as an outspoken and successful business leader The Oracle Speaks draws from decades of interviews editorials and annual shareholder reports amassing the most complete outline of how Buffett believes a good business is run and a good life is led It's advice that Buffett has successfully adhered to throughout his 80 plus years and it is advice now available in the succinct poignant gift friendly package of The Oracle Speaks     Warren Buffett Robert G. Hagstrom, 2021-02-23 In Warren Buffett Inside the Ultimate Money Mind Hagstrom breaks new ground with a deep analysis of Buffett's essential wisdom an intricate mosaic of wide ranging ideas and insights that Buffett calls a Money Mind What exactly is a Money Mind At one level it's a way of thinking about major financial issues such as capital allocation At another level it summarizes an overall mindset for successfully investing in today's fast paced stock market a mindset that depends on a commitment to learning adapting and facing down

irrelevant noise This is not a method book It is a thinking book Warren Buffett Inside the Ultimate Money Mind explains the philosophies of self reliance stoicism rationalism and pragmatism and their contributions to making intelligent investment decisions It also outlines the evolution of value investing discusses how to develop a business driven investing mindset and describes the defining traits of successful active management Lastly it examines the surprising aspects of a Money Mind sportsman teacher and artist In short Warren Buffett Inside the Ultimate Money Mind helps readers understand the building blocks that go into making a Money Mind so they can begin to incorporate its principles in the service to a life of value

**The Leader's Bookshelf** Martin Cohen,2020-10-09 Which books inspired some of the world s most successful people and why Come on a journey of literary exploration and find out how books can impact your life It turns out that the life stories of many famous people start out with a particular book that inspired them when young Here Martin Cohen explores the lives of some remarkable people inventors scientists business gurus and political leaders and the books that have challenged inspired and influenced them And so exploring the ideas dreams and inspirations that this diverse group shared is at the heart of this book too Inspiration in particular is the thread that ties together individuals with characters and backgrounds as diverse as Jane Goodall and Barack Obama Malcolm X and Judge Clarence Thomas Oprah Winfrey and Malala Yousafzai Rachel Carson and Frans Lanting Often behind many tales of achievement lies much more than a collection of smart tactics There are beliefs and values that guide many a grand strategy too And the strategies are often very different which if you think about it shouldn t come as a surprise If there really were just one recipe for success well everyone would be using it already No the thing that unifies these disparate approaches is that they all provided for their owners a kind of conceptual grid onto which a wide range of day to day creative scientific or business practices are able to develop and grow For Sergey Brin and Larry Page the founders of Google for example the grid was Charles Darwin s notions of natural mutation and iteration With Henry Ford the man who pioneered the method of the assembly line the grid was an obscure ethereal theory of life as a sequence of reincarnations And for both Oprah Winfrey and Steve Jobs the grid was existentialist ideas about the pursuit of authenticity In all these cases a grand indeed often philosophical theory meshed perfectly with a practical business strategy All of these remarkable people and the books that most inspired them are explored in this book
