Introduction to Nursing Informatics Kathryn J. Hannah,Pamela Hussey,Margaret A. Kennedy,Marion J. Ball,2014-11-13

This 4th edition of Introduction to Nursing Informatics is designed for use by practicing nurses and students in undergraduate programs of study. It presents the fundamental concepts of Nursing Informatics and includes a number of contributions from leading experts who have practiced in the field of informatics over a number of years. The information is presented and integrated in a purposeful manner to encourage you to explore key concepts starting with the fundamental concepts and then progressing on to core concepts and practice applications in the later sections. Briefly the word CARE is presented as an acronym for Connected Health Administration Research and Education and the book is organised in sections with these sub themes. Critically the content is linked with case based examples to contextualize the theory presented.

Canadian Nursing- E-Book Janet C. Ross-Kerr, Marilyn J. Wood, 2014-04-22 This text examines the issues and trends impacting Canadian nursing. The five parts of the text cover everything from the development of the profession of nursing in Canada to discussions of nursing knowledge, nursing research and the theoretical foundations of modern nursing. The authors also examine issues in the delivery of nursing care as well as nursing education, credentialing standards of care and entry to practice. Additional chapters address collaboration, the increasingly flexible delivery in nursing education and health informatics. The book concludes with a look at Canadian nurses' growing role in international nursing and Canadian projects that have been implemented around the globe. Detailed references at the end of each chapter. Two colour design draws attention to each section heading. Dedicated Evolve website enhances the teaching and learning experience. New student friendly features include Canadian Research Focus boxes that highlight current and relevant research and Reflective Thinking boxes that provide focused opportunities for reflection and discussion. WebLinks provide information for relevant nursing and health care organizations. Chapter Objectives, End of chapter Critical Thinking Questions and Web Resources have been added to engage students in their own learning. With additional images that highlight key individuals and events in Canadian nursing, the text is more visually appealing than ever. Chapters combined and reorganized to reflect reviewer feedback and change in Canadian teaching focus.
