George Orwell and Russia Masha Karp, 2023-05-18 For those living in the Soviet Union Orwell's masterpieces *Animal Farm* and *Nineteen Eighty Four* were not dystopias but accurate depictions of reality Here the Orwell scholar and expert on Russian politics Masha Karp Russian Features Editor at the BBC World Service for over a decade explores how Orwell's work was received in Russia when it percolated into the country even under censorship Suggesting a new approach to the controversial Orwell's list of 1949 Karp puts into context the articles and letters written by Orwell at the time She sheds light on how the ideas of totalitarianism exposed in Orwell's writing took root in Russia and in doing so helps us to understand the contemporary political reality As Vladimir Putin's actions continue to shock the West it is clear we are witnessing the next transformation of totalitarianism as predicted and described by Orwell Now over 70 years after Orwell's death his writing at least as far as Russia is concerned remains as timely and urgent as it has ever been

Be the People Carol Swain, 2011-06-13 Forces are rapidly reshaping America's morals social policies and culture but how do we stop it Learn how to make your voice heard and reclaim America's faith and values by reshaping our country's current trajectory Cultural elites in the media academia and politics are daily deceiving millions of Americans into passively supporting policies that are harmful to the nation and their own best interest Although some Americans can see through the smokescreen they feel powerless to stop the forces inside and outside government that radically threaten their values and principles Drawing on her training in political science and law Dr Swain thoughtfully examines the religious

significance of the founding of our nation and the deceptions that have crept into our daily lives and now threaten traditional families unborn children and members of various racial and ethnic groups as well as national sovereignty itself Dr Swain provides encouraging action items for the people of our country to make the political system more responsive The book is divided into two sections forsaking what we once knew and re embracing truth and justice in policy choices Be the People covers key topics including The damage caused political correctness and its censoring of traditional Christian expression of thought America s shift to moral relativism and its religious roots Erosion of rule of law national security and immigration Abortion s fragile facade and the true toll it takes Racial and ethnic challenges How we can reclaim the future In Be the People Carol takes a candid look at the problems our country faces but that we re often uncomfortable speaking honestly about providing hope and actionable solutions to change the direction of America while we still can Be the People is a courageous analysis of today s most pressing issues exposing the deceptions by the cultural elite and urging We the People to restore America s faith and values Sean Hannity 1984 George Orwell,2013-09-03 75th ANNIVERSARY EDITION Orwell saw to his credit that the act of falsifying reality is only secondarily a way of changing perceptions It is above all a way of asserting power The New Yorker In 1984 London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind Winston Smith is a man in grave danger for the simple reason that his memory still functions Drawn into a forbidden love affair Winston finds the courage to join a secret revolutionary organization called The Brotherhood dedicated to the destruction of the Party Together with his beloved Julia he hazards his life in a deadly match against the powers that be Lionel Trilling said of Orwell s masterpiece 1984 is a profound terrifying and wholly fascinating book It is a fantasy of the political future and like any such fantasy serves its author as a magnifying device for an examination of the present Though the year 1984 now exists in the past Orwell s novel remains an urgent call for the individual willing to speak truth to power **Raising Independent Learners** Queena N. Churchill and Orwell Thomas E. Ricks, 2017-05-23 A New York Times bestseller A New York Times Book Review Notable Book of 2017 A dual biography of Winston Churchill and George Orwell who preserved democracy from the threats of authoritarianism from the left and right alike Both George Orwell and Winston Churchill came close to death in the mid 1930 s Orwell shot in the neck in a trench line in the Spanish Civil War and Churchill struck by a car in New York City If they died then history would scarcely remember them At the time Churchill was a politician on the outs his loyalty to his class and party suspect Orwell was a mildly successful novelist to put it generously No one would have predicted that by the end of the 20th century they would be considered two of the most important people in British history for having the vision and courage to campaign tirelessly in words and in deeds against the totalitarian threat from both the left and the right In a crucial moment they responded first by seeking the facts of the matter seeing through the lies and obfuscations and then they acted on their beliefs Together to an extent not sufficiently appreciated they kept the West s compass set toward freedom as its due north It s not easy to recall now how lonely a position both men once occupied By the late 1930 s democracy was discredited in many circles and authoritarian rulers were everywhere in the ascent There were some who decried the scourge of communism but saw in Hitler and Mussolini men we could do business with if not in fact saviors And there were others who saw the Nazi and fascist threat as malign but tended to view communism as the path to salvation Churchill and Orwell on the other hand had the foresight to see clearly that the issue was human freedom that whatever its coloration a government that denied its people basic freedoms was a totalitarian menace and had to be resisted In the end Churchill and Orwell proved their age s necessary men The glorious climax of Churchill and Orwell is the work they both did in the decade of the 1940 s to triumph over freedom s enemies And though Churchill played the larger role in the defeat of Hitler and the Axis Orwell s reckoning with the menace of authoritarian rule in *Animal Farm* and *1984* would define the stakes of the Cold War for its 50 year course and continues to give inspiration to fighters for freedom to this day Taken together in Thomas E Ricks s

masterful hands their lives are a beautiful testament to the power of moral conviction and to the courage it can take to stay true to it through thick and thin Churchill and Orwell is a perfect gift for the holidays **English Teaching Forum** ,2006
