Democracy in Nigeria: Thoughts and Selected Commentaries Anthony A. Akinola, 2015 Democracy in Nigeria Thoughts and Selected Commentaries consists of a series of essays which address a variety of issues bordering on good governance and the stability of the Nigerian state

While the author is optimistic about the future of his nation and proposes measures that can drive its democracy forward he is unhappy that corruption in particular has impeded progress in an otherwise vibrant nation He believes that proper education and a realistic federal arrangement provide the solution to religious intolerance and all the ills that are associated with it while a more proactive population can actually tame the monster of corruption if they are genuinely worried that corruption has been responsible for their individual and collective plights
