With InstaRead Chapter by Chapter Summaries you can get the essence of a book in 30 minutes or less We read every chapter and summarize it in one or two paragraphs so you can get the information contained in the book at a much faster rate This is an InstaRead Summary of George Washington's Secret Six The Spy Ring That Saved the American Revolution by Brian Kilmeade and Don Yaeger Below is a preview of the earlier sections of the summary Preface The existence of the Culper Spy Ring was known in the 1920s but no one knew who its leader was until Morton Pennypacker a Long Island historian was given papers that led to his identity The spy ring was responsible for preventing Benedict Arnold from carrying out his treachery as well as several other important events during the Revolutionary War Culper Junior was the ring leader In 1929 Pennypacker received a phone call that led him to some papers that had belonged to the Townsend family The Townsends were a prominent family that had been in the United States since the 1600s The papers were letters and account books from the Revolutionary War era Perusing through the papers Pennypacker found that Robert Townsend's handwriting was very similar to that in Culper Junior's letters He sent the papers for analysis and found that Robert Townsend was Culper Junior Now the only spy whose identity is not known is a woman who has been identified as 355 The spy ring had six members Robert Townsend Austin Roe Caleb Brewster Abraham Woodhull James Rivington and Agent 355 The book describes the work of the Culper Spy Ring and how they helped the Continental Army bring down the British Military which was the most powerful military force in the world at that time Introduction In 1776 in Manhattan Captain Nathan Hale was hung at the age of 21 for

being a spy This made the message clear to all colonists that if they spied they would die Chapter 1 Hold New York Win The War Nathan Hale s execution was a low point for General George Washington who had recently suffered the siege of New York City and Long Island by the British Now he had lost his spy as well The Declaration of Independence had just been signed two months before but the fledgling nation was quickly losing hope New York was under American control until a few months prior to this low point of Washington s The New York City Harbor was an important place for the Continental Army to occupy because if the Harbor could be held then the morale of the people would rise and the army would have a good tactical vantage point for accessing the colonies waterways New York and Philadelphia were the most important colonies at that point since New York was a major port and hub and Philadelphia was where the Continental Congress held their meetings Whoever held New York could control imports and exports and it was a great place for moving troops up and down the coast
